Niedringhaus, 990; his son, Thomas, 10; William F. Niedringhaus, 990; his son, George W. 10.

Granite City was incorporated as a city on March 3, 1896. Its population was 992.

The first officials were: James G. McRoberts, mayor; W. W. Stevens, city clerk; W. H. Collier, city treasurer; Mark Henson, Charles Pardeisky, W. C. Lindsey, G. J. Webb, A. R. Smith, and Prof. L. P. Frohardt, aldermen.

Webb and Pardeisky were railroad contractors; Lindsey and Smith were skilled workers; and Collier managed a hotel operated by Phillip Lauff.

Stevens' son, A. L. Stevens, later became city clerk, a position now held by the latter's son, Robert Stevens.

On May 6, 1896, as noted in the minutes, "the first council of the city of Granite City met in first session at the real estate office of the Depot Buildings, Nineteenth Street and the railroad tracks."

Four months later, the Claire

Contracting Company of Edwardsville built a city hall near Nineteenth Street and Edison Avenue.

A modest one-story frame structure, it contained an office for the mayor and council, a cell to hold lawbreakers and a storeroom for the hose cart of the volunteer fire department.

In autumn, the council appointed Henry Fosseick and William Coal to serve as policemen; they each received \$50 per month.

In January 1897, Professor Frohardt and two assistants, Cassie Listeman and Emma Pettinghill, opened classes in the Emerson school, a two-story building erected at a cost of \$14,000.

A Board of School Directors was established in April. The first members were: George Webb, Mark Henson and Dr. J. S. Chase.

Additions to the Emerson School in later years necessitated raising the Kinderhook Church and School. Meanwhile, it continued to serve as a common church. Zion Methodist Episcopal congregations was instituted there in August, 1897. The Immanuel Lutheran built a small frame church in spring of 1898.

Continental Wire Works and the Drummond Box Factory entered production in 1897. Although they started vigorously, both were destined to shut down

# Seek Missing Dog

A German Shepherd dog owned by Bruce Hayes, 2304 West 23rd St., has been missing since yesterday morning and was being sought today as Hayes, who is in the Army, is scheduled to return to duty at a Virginia base tomorrow. He has been home on leave. The light brown, 4-year-old dog, which is pure Collie, answers to the name of Prince. Anyone with information concerning the dog may phone 876-3913.

In less than a decade.

After the Drummond Box Company failed, the factory was used as a warehouse for hay and grain. One summer, the bales of hay caught fire.

The volunteer fire department sped to the conflagration and extinguished it. In several hours the blaze started afresh and the doughty firefighters doused it again.

And so it went for three or four days. The hay would start burning and the firemen would put it out.

The persistence of both fire and firemen annoyed economy-minded councilmen because each time the volunteers answered an alarm they were entitled to receive \$1.00 apiece. Finally, the mayor ordered the firemen to ignore the smoldering hay.

lect my wits. Now I will have to do what I can to revive my private law practice."

Judge Welch, first vice-president of the Illinois Circuit Court Magistrates Association who would have been president next year, said "I have no idea why I have never been called on the carpet, my records are open." He charged that the circuit judges were injecting politics into the court system.

Judge Jianakoplos of Alton said the Illinois Supreme Court recently sent a letter to the Circuit Court to the effect that if any magistrates were to be replaced, now would be the time to do it or they would hold their jobs for four years.

Under the new state constitution all seven magistrates in the county will be elevated to the rank of associate circuit judges effective July 1. The salary will be increased from \$15,500 to \$20,500 a year, and the magistrates will be authorized to sit in civil cases involving more than \$15,000, and over more criminal cases, excluding felonies.

The holdover magistrates are Mezin, Hiscott and Andreas Matosian of Granite City, William Johnson of Collinsville and Harold Gwiliam of Alton. Gwiliam is due to retire this summer, and a replacement is to be named for him soon.

those enjoyed by many non-USWA employees of National.

"If Granite City Steel cannot be saved without a merger, then a merger might be the best thing. But it is our feeling that it could continue operating without merging," Kelahan concluded.

The text of a letter from Kelahan to the Press-Record this week follows:

"I'm afraid neither I nor our members share your editorial optimism as to the proposed merger of the Granite City Steel and National Steel companies.

"Our members share many fears of such a merger.

**Predict Economic Rebound**  
"As you know, Granite City Steel has been a victim of the steel industry's downturn throughout most of its history.

"Because of this long unemployment, and because the union bargained and negotiated with an independent producer with a geographic edge on its competitors, our union members have working conditions and take-home pay a cut above our brothers in the rest of the basic steel industry.

"Granite City Steel was known as a company that could do the most with the least. This company has always rebounded from economic reverses, and we think it can do it again.

"If a merger is effected, we fear that an attempt will be made to bring our working conditions and take-home pay in line with, or below, the rest of the industry.

"We fear that our bargaining position will deteriorate if we have to negotiate with a company which can make the same products elsewhere if we are a little hard-nosed on these issues.

"We fear wholesale layoffs. We guarantee that these things can only occur after the biggest battle of history is over.

"Accordingly, we have officially, and through our members, asked the help of our Congressional leaders, our union leaders, and the Justice Department in preventing this merger.

"We ask the stockholders to vote against this merger. We ask everyone who shares our opinion to join us in this endeavor."

## Armed Forces Day

Scott Air Force units will be "displaying their wares" to the public Saturday as part of the 1971 version of Armed Forces Day.

Two concerts and a model airplane demonstration will highlight the day's festivities in addition to the approximately 25 exhibits on display. All activities will be in and around Hangar One.

The agenda follows: 11 a.m.—Exhibition open; 11:30 a.m.—Concert by Military Airlift Command Band; 2 p.m.—Model airplane demonstration; 4 p.m.—Exhibition closes.

The Cahokia group, a youth choir from the Maplewood Baptist Church in Cahokia, will perform in conjunction with the Prisoners of War-Missing in Action (POW-MIA) exhibit.

State displays of nine planes and a Coast Guard helicopter will be provided. Included in the list of planes are a C-47 Starliner, C-9 Nightingale, C-131 Samaritan, RC-130 Hercules and the Cessna 172 and Cessna 150 of the Aero Club.

## To Help Open Drive

Jeannie Smith, Mrs. U. S. Savings Bonds 1970-71, will visit Granite City Wednesday, not only to serve as the "Goodwill Ambassador" for the Department of the Treasury, but to officially help kick off the 1971 Savings Bonds Campaign.

Helping to honor the U. S. Savings Bonds Program on its 30th Anniversary, the A. O. Smith Co. and Paul J. Kemp, manager of the Granite City Plant, will host a noon luncheon at the Sunset Hills Country Club, Route 137, Edwardsville Township. A large attendance of the leaders of industry and labor will attend the meeting.

Henry Karandjeff of Granite City, Madison County volunteer chairman, and James Rogers and Charles Chenoweth, St. Clair County volunteer chairman, will gather with leaders from various fields to join in promoting U. S. Savings Bonds and in turn, helping to keep America strong.

At the luncheon, Mr. Karandjeff will be honored for having served enthusiastically as a Savings Bonds volunteer chairman for over 30 years, which is a record for continuous service unmatched in Illinois and possibly in the entire nation.

### SIU, Country Column

by Albert Meyer

American agriculture needs to turn out its own "agro-activists" to cope with both its real pollution problems and some of those created by the rising tide of new environmentalists. So advises Prof. Keith Leasure, chairman of the plant industries department at Southern Illinois University in Carbondale, in talking to agricultural scientists attending a meeting of the Weed Science Society of America in Dallas, Texas.

He also suggested that agriculture needs to lend its talents to problems of waste disposal and to planning for preserving the nation's vital agricultural areas for food and fiber production.

Because of the recognized limited population-carrying capacity of the earth and its limited reserves of essential materials it is necessary for persons in agriculture to be concerned about the principles of ecology. The practices of agriculture must be considered as

a part of the whole system, Leasure said.

The agricultural scientists and the farmers need to be ready and willing to answer with real facts when the new environmentalists begin to beat the drums against chemical pesticides and fertilizers, especially nitrogen. They have done a pretty good job on DDT, he said.

When someone mentions those toxic agricultural chemicals do you ever say, "sure, they may be harmful under certain conditions, but plain old kerosene is about twice as toxic at DDT and over 20 times as toxic as malathion?" he asked.

**Important Hazard**  
The agriculturalists should be able to clearly explain the difference between toxic and hazardous. It is the hazard that is really important, Leasure said. Aspirin is more than four times as toxic as the herbicide picloram, and common table salt is twice as toxic as bromacil, a pesticide. There will be about 1,500 deaths from aspirin in the United States this year as compared to maybe 200 from all the pesticides. But there hasn't been anything said about banning those dangerous aspirin tablets. Hazard is partly due to toxicity and partly to the way substances are used or misused.

But there is no reason to brush aside ecology, and agriculturalists can no longer sit back and bask in the accomplishments of past years. They just need to get informed and to work hard to get the real facts as they apply to the environment, Leasure said.

The soil fertility research today must be concerned with more than just rates, responses and the maximum returns to the farmer from fertilizer usage. He also needs to be concerned with the long and short term effects—if there are any—of the fertility practices on the nitrogen levels in surface and ground waters, in the ocean, and in the air. The scientist must get all those answers and the farmers will then need to follow the suggestions.

**Need Actual Facts**  
The agricultural scientists now need to get the actual facts on how much the herbicides and pesticides, as now used in farming, actually pollute. Only with actual facts can there be a defense against charges of pollution. The Illinois Environmental Protection Act of 1970 puts the burden of proof of non-pollution on the accused, he said.

Waste disposal also is a big problem affecting agriculture in more than one way, he said, because most wastes of both rural and urban centers inevitably are disposed of in rural areas, either legally or illegally. Farmers and the agricultural scientists should be leading the way in solving the problems of waste disposal that are connected with animal feeding operations. Large feed lots and confined methods of animal production on farms are posing special problems in waste disposal without pollution.

Agriculturists also need to help determine how to handle municipal wastes without ruining either the land's productivity or the beauty of the landscape, Leasure said. There also is the problem of protecting valuable farm land from encroachment of expanding cities and highway systems. Country-wide zoning or other land use designations to reduce the rural-urban friction should be encouraged, he said. It is time to start planning on a large scale how much land to preserve for farming and how much urban centers already in the area should be allowed to grow. Those interested in the future of agriculture must become involved in all these matters.

## Shrine Blood Program to Be Launched

This Saturday will be "D Day" for a unique Shrine blood program which is being launched in the Quad-City area and will be extended to other communities. Purpose is to provide enough blood for local area fire victims treated at the Burns Institute in Cincinnati.

Cards signifying intent to give blood are being filled out by members and non-members, working through Shriners. Quotas have been assigned by Potentate Charles H. Wagner to each club and unit of Ainal Temple.

Blood is needed in large quantities during the treatment and rehabilitation of some burn patients, and a list has been compiled of pints which need to be replaced.

Those who wish to give blood should be in the 18-60 age group; single persons under 21 need written parental permission.

The blood committee of the Ainal Legion of Honor, under arrangements made by Commander O. E. "Gene" Miller and Donald Kopp, blood chairman, will give specific time appointments to volunteer contributors. In line with these appointments, blood will be given at St. Elizabeth Hospital Monday through Saturday between 8 and 11 a.m.

Prospective contributors may contact Kopp or call Hassler Insurance, 877-4918, or Heritage Realty, 877-5252.

### Army Medical Command Selects GC Serviceman

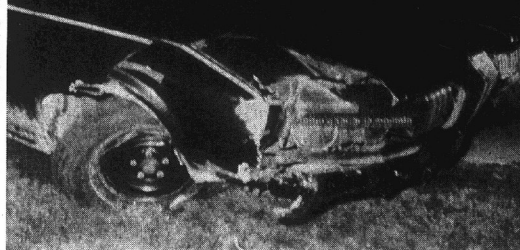

A Granite City serviceman in Vietnam has been selected the "Medical Command Soldier for the Month of May," according to a congratulatory letter written by the commanding officer.

The serviceman honored is Specialist Four William E. Ebrecht, a son of Mr. and Mrs. Elmer Ebrecht, 3029 E. 27th St., whose wife, the former Catherine Ilic, presently is residing in Homewood, Ill.

Spec. 4 Ebrecht is serving with the 27th Surgical Hospital, United States Army Medical Command, at Chu Lai, Vietnam. He entered the Army in December 1969 and arrived in Vietnam in January.

In the letter informing the family of Spec. 4 Ebrecht's selection, Colonel Philip J. Noel Jr. wrote: "It is with pleasure that I inform you that your husband, Spec. 4 Ebrecht, was selected Medical Command Soldier for the month of May 1971."

"The significance of this award is brought out by a brief description of the Command. The U.S. Army Medical Command, Vietnam, is one of the largest commands in the Army Medical Department. It serves throughout Vietnam with a total strength of approximately 7,000 men and is composed of over 115 medical units.

COLLISION WITH SIGNPOSTS caused extensive damage to the car of Thelma Marie King, St. Louis, which was westbound on Edwardsville Road when the mishap occurred. The car struck two traffic signs while turning into McCambridge Avenue in Madison this week.

### 2 Arrested in Venice In Auto Theft Case

The arrest of two men in Venice at 1:20 p.m. Tuesday for allegedly brandishing a gun at a Granite City man resulted in the pair being charged with possession of a stolen auto and use of stolen license plates. They also were held for Chicago authorities on other charges.

Bruce Bromley, 2250 Iowa St., told police a 1970 auto cut in front of his auto several times and the man in the car made obscene remarks and displayed a pistol through a window of the car.

Police investigated and from Bromley's description of the car stopped an auto driven by Timothy Leon Cotton, 26, of 219 Hill St., Eagle Park Acres, Cotton and John Plump Jr., 42, of Chicago, a passenger in the auto, were taken into custody and a routine check on the auto was made.

Venice police said the license plates were reported lost or stolen from Charles Ward, Chicago, and the auto was stolen Sunday from Carl L. Miller, Chicago. Upon checking with Chicago police, officers were informed that Cotton was wanted there on two warrants and Plump was named in one warrant.

They were taken to Granite City court at 10 a.m. yesterday and were placed under \$5,000 bond each on a charge of possession of a stolen auto, and \$2,000 each on a charge of the stolen license plates.

### Chouteau Town Budget Posted; Hearing May 25

The 1971-72 budget and appropriation for the Chouteau town fund and general assistance fund is to be posted for public inspection today and will be considered at a public hearing in the town clerk's office Tuesday, May 25, it was announced by George Warncke, town clerk.

Warncke said the Chouteau town board will act on the budget measure in a meeting on Saturday, June 26. The board approved budgets for the highway department 1 a.s.t. month.

### Street Sign Downed A hit-and-run auto knocked down a street sign at Wayne and Joy avenues, it was reported at 9:20 p.m. Tuesday.

### Chouteau Board to Name Commissioner

Appointment of a Chouteau township highway commissioner to succeed James Estes, who has been declared ineligible to begin a new term, is scheduled for consideration at a regular meeting of the Chouteau town board Saturday morning.

The board will meet at 9 a.m. in the offices of Town Clerk George Warncke, 309 East Chain of Rocks Road, in Mitchell.

Estes, who was re-elected April 6 as highway commissioner, was declared disqualified by the board on grounds that he failed to file his oath of office within the time limit specified by state law.

Supervisor Walter Sparks said an appointment to the post was not made at that time because one of the three town auditors was out of the area on vacation, and that the appointment should be acted upon by a full board membership.

### Order Backlog High at GC Steel, Stockholders Told

Nicholas P. Veeder, chairman of the board of Granite City Steel Co., told the annual meeting of stockholders yesterday that the company's "order backlog remains high and the second quarter is shaping up as another period of unusually heavy shipments."

Mr. Veeder said the 1971 market for steel "has been very strong, due largely to manufacturers and other steel users building inventories against the possibility of the major steel producers being shut down by a strike when the present 3-year contract with the United Steelworkers expires next August 1.

"Our contracts with the Steelworkers Union and the Chemical Workers Union at our Blast Furnace plant do not expire until Oct. 1.

"It is our hope that the inflationary pressures will continue to subside, giving the steel industry an opportunity to achieve a more adequate cost-price relationship and improved return on investment."

**Merger Pending**  
An agreement in principle for the merger of Granite City Steel into National Steel Corporation was announced last month. Mr. Veeder explained today that he was not free to comment beyond the original announcement at this stage in the merger proposal.

In addition to Mr. Veeder, the following were re-elected to the Board of Directors of Granite City Steel Co.:  
M. R. Chambers, chairman of the board and chief executive officer, INTERCO Inc., St. Louis; Kenton R. Cravens, chairman of the board, K. R. Cravens Corp., St. Louis; Bertram B. Culver Jr., president, The Culver Educational Foundation, St. Louis; Aiken W. Fisher, chairman of the board, Fisher Scientific Co., Pittsburgh; Lyle

F. Guley, president, James F. Kieckhefer, vice-president, Loewi & Co., Incorporated, Milwaukee.

Rear Admiral Eugene J. Pelrier, USN (Ret.), president, Sverdrup & Parcel and Associates, Inc., St. Louis; William B. Rodgers, Pittsburgh; Raymond E. Rowland, chairman of the board of trustees, Barnes Hospital, St. Louis; and Harold E. Thayer, chairman of the board and president, Mallinckrodt Chemical Works, St. Louis.

Granite City Steel, largest steel company in the St. Louis area, manufactures plate, hot and cold rolled sheet, galvanized sheet and other flat rolled steel products for a regional market covering much of the Midwest, South and Southwest. Plant and main offices are in Granite City.

**Rabies Clinic Friday  
At Nameoki Garage**

A rabies control clinic for inoculation of pets owned by Nameoki Township residents will be held from 6 to 8 p.m. Friday at the Nameoki Township garage, 4250 Highway 162, it was announced this week by Supervisor Louis Whitsell.

A \$4 fee will be charged for each pet receiving the rabies inoculation, Whitsell said. Dr. Leland Holt and Dr. Larry Tadlock, Granite City veterinarians, will conduct the clinic.

A similar rabies clinic currently is being arranged in the State Park Place area, Whitsell said.

**Battery Charge Filed**  
Pres. Bishop, 38, of 1715 Edison Ave., was arrested at 4:05 p.m. Tuesday on a warrant charging battery. He pleaded guilty of battery and was released on Scientific Co., Pittsburgh; Lyle

## Workshop to Aid Needy Students Set for Saturday

Any student in this area planning to attend a junior college or public or private college in Illinois is invited to attend a financial aid workshop sponsored by the Comprehensive Education Commission of East St. Louis Inc. at 10 a.m. Saturday at the Olatunji Center, 507 Missouri Ave.

Staff members from Southern Illinois University-Southwestern in East St. Louis, State Community College, and Talent Search will be available to assist students with application forms for the Illinois State Scholarship Commission monetary award.

This monetary award is available to any student who shows financial need and is not based upon scholastic rank, said Janet Campbell of the SIU-SW Experiment in Higher Education. She said the non-competitive award can provide the money to pay for tuition and fees at any school in Illinois.

Any student who has not applied is invited to attend the "Special Effort Day" and receive assistance in completing the application. Applicants are requested to bring information concerning their family's 1968 and 1970 federal income tax. Financial aid consultants that will be available at the workshop are Janet Campbell for the Experiment in Higher Education, John Epps of Talent Search and Charles Peabody from State Community College of East St. Louis.

## 'Listening' Winning Talk at Toastmasters

Goodfellow Toastmasters Club 1667 of District Eight met Monday night at the Officers Club of the Granite City Army Depot. Don Zeobold reported on a district meeting held in Springfield, and toastmaster for the evening was Vic Shanta, with Steve Gargac toastmaster.

Speakers were Zeobold, "Computers and the People Who Use Them," and Jim Beckett, who received an award as best speaker for "Shouldn't We Learn to Listen?"

Guests are being invited to the next meeting May 24; dinner will be served at 6:30 p.m. The group meets every other Monday. Purpose is to promote effective communication and the ability to speak and think clearly. Information may be obtained from Burke Campbell, 931-5727, or Gargac, 977-3156.

## House Burglary

B. C. Gitch, 3270 Kilarney Drive, reported at 6:40 p.m. Tuesday that an undetermined amount of clothing and household items stored in a house at 1565 Johnson Road were stolen in a burglary. Entry was gained by busting two doors.

## Fire Extinguished

## Madison City Balance Up, Delay Some Improvements

By MARION BARTOSIAK

Press-Record Staff Writer

The general fund of the city of Madison showed a balance of \$115,290 at the end of the fiscal year on April 30, according to a financial report prepared by former Controller E. J. Miller and reviewed at a City Council meeting Tuesday night.

Receipts totaled \$373,338 and disbursements were \$758,045. Included in receipts were \$229,578 in corporate taxes, \$122,624 in sales tax, \$53,337 in state income tax and \$66,337 in rentals from Caine Steel Co.

Disbursements included \$191,092 for the police department, \$43,193 for the fire department, \$82,638 for garbage and refuse collection, \$79,947 for industrial site expenses and \$45,257 for streets and alleys.

The balance was caused by deferral of several public projects which had been planned for the year, according to John Gitchoff, city legal aid.

Gitchoff said the city had been planning to remodel the mayor's office or to remodel city buildings, and had been \$100,000 in arrears against the city's debt to recreation facilities and other projects.

Instead, the money is needed to operate the city during the fiscal year pending receipt of taxes, he said.

The council amended the city's ordinance concerning dogs. Dog owners showing certificates of inoculation against rabies administered by June 1 will receive dog licenses free of charge.

If the license had been purchased on or before May 1, a refund will be given. Licenses had been \$1 except for unspayed females which had a \$5 fee.

## Mrs. Sowell Chairman Of National Convention

Eighteen teachers, administrators and parents from the Granite City chapter of the National Association for Gifted Children attended the national convention ending during the weekend in Chicago.

Mrs. Sally Sowell, secretary of the board of directors of the National Association, was convention chairman. Representatives from 15 states and Canada were present.

Workshop sessions were held in many areas of teaching the gifted child. Included were sessions on mathematics, science, fine arts, social studies, creativity and individualization of instruction. Dr. E. Paul Tugance of the Department of Educational Psychology, Measurement and Research, University of Georgia, spoke at the convention on "Identity: The Gifted Child's Major Problem."

At a luncheon session, Dr. John Gowan, professor of education, San Fernando Valley State College, Northridge, Calif., spoke on "The Development of the Creative Individual."

area of Second and Market Streets who had agreed to attend a hearing by the Illinois Air Pollution Control Board on a complaint against the Hyman-Michaels Co. at 10 a.m. May 24 at the city hall.

The council approved purchases of a quarter-ton pickup truck from the B. E. Hiltl Co. for \$2,576 and a 17-year chassis truck from Brewer Motors for \$11,867 on low bids meeting specifications.

Installation of lights was ordered for the alleys behind 711 Franklin St., between Lee and Washington Avenues and behind Kennedy Drive and on the street in the middle of the 1900 block of Harris St.

A police report for April showed 52 arrests, including 21 for traffic violations and 15 juveniles, 24 traffic accidents, 59 crimes with 37 solves, including five assaults, four burglaries, 40 larcenies and three auto thefts.

Mayor Sasyk was participating in a golf tournament at Memphis, Tenn.

## Funds Needed

The explanation came upon questioning by Second Ward Alderman Donald Broyles and Richard Kismar.

Gitchoff said city officials decided against spending money to remodel the mayor's office or to remodel city buildings, and had been \$100,000 in arrears against the city's debt to recreation facilities and other projects.

Instead, the money is needed to operate the city during the fiscal year pending receipt of taxes, he said.

## Madison Drops Home Meet

Despite Madison's track loss to Edwardsville Tuesday, 89-38, Coach Charles Stepien was well pleased with his squad as several freshmen and sophomores turned in outstanding performances, indicating several good years to come for the Trojans.

Freshmen Chris Stanley and Oshert Lomax captured second and third place in the 120-yard high hurdles in times of 20.9 and 21.6 respectively, and sophomore Larry Evans was first in the long jump with 18 feet, 10 1/2 inches.

Other first places were claimed by Bobby Simms in the 100-yard dash (10.8), Emory Wilson in the 40 (55.2), and Henry Rhoads in the shot put (49 1/2 feet) and the discus (127 feet, 2 inches).

## 6 Boys' Baseball Contests Carded For Opening Day

Six games have been scheduled for 2 p.m. Saturday as part of opening day activities of the Granite City park district boys' baseball program for 1971. All will be played at Wilson Park.

Pairings in the Blue Division, Sully Parker League, Alton (7-9 age) Division are Alphas vs. Mr. Donat and First Granite City Savings vs. Mercer Mortuary.

In the Owen Friend League Bantams (9-11) it will be Bombers vs. Gas Pumps and Redlegs vs. Elks.

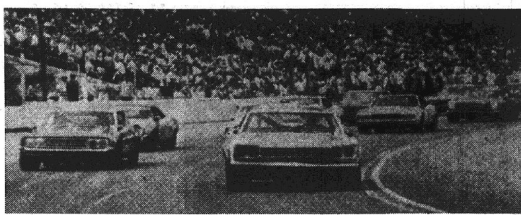

At the Midget (11-13) level, Bert's Chuckwagon will meet Northtown Rental in the Jim Holland League and Leo Wolf Construction will oppose the Gas Pumps in the S m o k y P u d g e t t League.

With 77 teams active for 1971, the park program also will include Juvenile (13-15) and Junior (15-17) Divisions. Daily play will begin Monday.

NASCAR DRIVERS and stocks will take over the half-mile dirt track at the Tri-City Speedway at 7 p.m. Saturday for the "Red Barron Special," a 150-mile event which is one of five races in the Midwest Grand American Series. Prize money for the series totals more than \$30,000.

## NASCAR 150-Mile Race at Tri-City Saturday Night

Tiny Lund, Wayne Andrews, Buck Baker, Al Sears and Jim Capps headline the drivers entered in the Red Barron Special race at the Tri-City Speedway Saturday, sanctioned by the National Association for Stock Car Auto Racing (NASCAR).

The race is one of five in the Midwest in NASCAR's Grand American Series, and will feature a 150-mile event on the one-half mile dirt oval. Two qualifying heats of five laps each and a trophy dash will precede the feature.

Because of the special NAS-

CAR race, the regular Friday night super sprint-car model stock program has been canceled, Ralph Keessling, promoter, announced yesterday.

The NASCAR series began with the Baughman High Speed "100" on the Nashville, Tenn., State Fairgrounds Speedway Thursday and Sunday the Grand American drivers took to the dusty one-mile state fairgrounds oval at Springfield, Ill. The scheduled 100-mile feature event had to be stopped after 24 laps because of dusty track conditions which caused two crashes. Promoters announced the Springfield event will be rerun this Sunday at 1 p.m.

The NASCAR circuit took the drivers to the one-third mile paved oval of the Lake Hill Speedway in Valley Park, Mo., yesterday for a 180-lap event, the "Show Me Special."

Saturday's race here will begin with qualifying heats at 7 p.m. and the feature, under the lights, at 8 p.m.

## Sophomores Sweep Metro Track Meet

The Granite City sophomore trackmen finished their "major meet" season with a clean sweep Tuesday by winning the Metro-East sophomore district tournament at East St. Louis with 34 points.

East Side was second with 42, East St. Louis Lincoln 39 1/2 and Alton 34.

They were trailed by Belleville West 21 1/2, Mascoutah 21, Belleville East 15, Centralia 12 and Cahokia 9 and Collinsville 0.

The sophomores claimed victory this season in the Alton relays, the conference relays, the Belleville East sophomore invitational and the Metro-East sophomore district to sweep the major meets.

The conference meet Saturday was not considered a major meet and third place there did not spoil the record. Coach Don Miller moved all outstanding sophomores into varsity competition at that meet for second place finish in varsity ranks.

The underclassmen also claimed victory at all their dual and triangular meets.

They appear to be letting down a little bit," Miller said after Tuesday's victory. Only two first places were claimed, Howard Bryant in the two-mile run (9:51), and Brad Hiles in the discus (146 feet, 10 inches).

The Warriors sophomores have yet to meet Madison Monday and a postponed dual meet with Roxana may be held if a date can be set.

## Baseball Warriors Hold Fate of Sports Trophy

The fate of the All Sports Trophy will rest in the hands of the Granite City High School baseball Warriors as they travel to Belleville West Saturday for a make-up game at 11 a.m.

This is the second year the schools in the Southwestern Conference have competed for what has become a coveted prize.

Belleville West won the trophy last year with GCHS coming in second.

The purpose of the trophy is to encourage member schools to establish a comprehensive athletic program and to establish a trophy as a symbol of overall athletic proficiency of a school, not just in a single sport.

When the simple majority of the conference schools participate in a recognized sport by the Illinois High School Assn., then the sport is considered in the competition.

A point system giving nine points for a first place winner of any acceptable sport and graduating downward to zero has been developed.

The award is a traveling trophy, and to win it permanently, the school must win three "legs." A plaque also awarded the winning school stays with the school.

"The All Sports Trophy has certainly increased the dedication of our athletes to the spring sports. Competition for second place becomes as intense, as it does for first due to the trophy, Joe Fedora, GCHS athletic director, said.

"This is totally unofficial, of course, but it looks like we are one point ahead of Alton. Alton has one more baseball game against Wood River and we have the crucial game against Belleville West this Saturday."

## Jr. Sports Jamboree Set Saturday at GCHS

The Junior Sports Jamboree, an annual track and field contest for boys and girls sponsored by the Granite City Jaycees, will take place Saturday morning at the Granite City High School athletic field, David Partney, Jaycee president, and Larry Patton, project chairman, announced today.

Registration will start at 9 a.m. with the contests to get underway at 10 a.m. Any boy or girl between the ages of 10 and 15 years who resides in Granite City may compete in the Jamboree, Partney said.

There is no entry fee and contestants are not required to wear track shoes or provide special equipment, the chairman noted. It is required that each child have a parental permission-entry form bearing the signature of a parent or guardian, he stressed.

Compete in Age Groups

Entry blanks are available at all Granite City grade and junior high schools from coaching staff members and principals, Patton said. Should a child wish to enter the contest and not have a form, he or she may be accompanied by a parent or guardian to the GCHS athletic field at 9 a.m. Saturday, where entry blanks may be obtained.

Competition is divided into three age categories — midget division, 10-11 years; juniors, 12-13; and intermediate division, 14-15 years.

A total of 41 track and field events is scheduled for the meet. First place winners in each event will be eligible to enter the sectional jamboree at Alton in July where they will compete against boys and girls of the same age levels from other area communities.

Sectional winners will receive an expense paid trip to the Illinois Junior Sports Jamboree in August, Patton said.

41 Events

Events to be staged here Saturday include:

Midget Division — (boys and girls): 50 and 75-yard dashes, broad jump, high jump, baseball throw and 220-yard relay.

Junior Division — (boys): 50, 75 and 100-yard dashes, broad jump, high jump, baseball throw and 440-yard relay; (girls): 50, 75 and 100-yard dashes, broad jump, high jump, baseball throw and 440-yard relay.

Intermediate Division — (boys): 50, 100, and 220-yard dashes, 380-yard run, broad jump, high jump, baseball throw and 440-yard relay; (girls): 50, 100 and 220-yard dashes broad jump, high jump, baseball throw and 440-yard relay.

## GC Golf Team 2nd In League Tourney

Granite City High School's golfers swung and putted their way to second place in the Southwestern Conference golf tournament Monday at the par 72 Belk Park links in Wood River.

The Warriors finished the 18 holes in a total of 330 strokes behind powerful Belleville West with 383. Alton was third with 336, Edwardsville 337, Collinsville 365 and Wood River 373.

Dave Rouland was low scorer for Granite City with an eight over par 70 which placed him fifth in the individual rankings. Pete Litz and Jack Elgie entered a three-way tie for eighth place at 82 and Gary Zimmer rounded out the top four with 96. Mike Willis carded 89, Mark Speer 87 and Bruce Lattimore 104.

## Braves Capture Roxana Relays, Prather Is 7th

Coolidge was victorious Tuesday in the 15 school bi-state Roxana Relays for ninth graders in a close meet which pitted the Braves against Alton North, Riverview and East Alton in the winner-take-all final event, the mile relay.

Victory in the event gave the Braves 38 1/2 points, three more than North's 35 1/2; and East and Riverview were left in third and fourth place with 30 and 29 points.

Collinsville had 15 1/2 points, Bend 14 1/2, Prather 14, Bethalto 14, Edwardsville 14, Alton Central 10, Cahokia 5, Grigsby 2, Alton West 2, Litchfield 1 and Roxana 0.

John Lignoul, Ken Kibort, Dale Livingston and Walter Milton finished the mile relay in 3 minutes, 49 seconds.

The 880 relay team of Dave Reubhausen, Ted Gaggus, Larry Haddix and Dale Williams set a new school record of 1 minute, 39.8 seconds to give the Braves another first place while Jerry Sedabares added to the point total with a second in the high hurdles in 16.1 seconds.

In some ways it's as good as a sports car.

A sports car should have bucket seats like we do.  
A sports car should have a four-speed stick shift like we do.  
And, any sports car worth its stripes should have torsion bars. And four-wheel independent suspension, like we do.  
But unlike most sports cars, we have a rear-mounted air-cooled engine like the Porsche.  
We have fuel injection instead of a carburetor like the Alfa Romeo and the Mercedes-Benz.  
Of course, our car isn't as fast as a sports car.  
But then, it isn't exactly a sports car. It has a roomy rear seat like a sedan. It holds more luggage than almost any sedan.  
And, it offers air conditioning\* and a fully automatic transmission.\*  
By now we think we've made our point.

This car isn't exactly a sedan. And it isn't exactly a sports car.  
It's a third type of car.

## GC, Edwardsville to Play Today, Madison Eliminated

Chilly breezes took command and forced a layover of yesterday's Granite City-Edwardsville district high school baseball game to 4 p.m. today.

The winner will play Collinsville, 7-2 victor of the hapless Madison team Tuesday afternoon, for the district title on Friday at the local park.

The Friday champ will advance to the Wood River regional tournament, set Monday, Tuesday and Wednesday, along with the winners of the Dupo, O'Fallon and Alton districts.

Vic Keznack, Ned Tapp or John Stanton will be on the firing line for the local Warriors, while Rick Hofstetler is scheduled to hurt for Edwardsville's Tigers.

The Madison Trojan season ended abruptly without a success in 16 outings as Collinsville's Kahoks took charge quickly.

The Kahoks totaled six hits and committed two errors while the Trojans were held to four safeties and counted eight bobbles.

Courtney Prothro, on the mound for Madison, fanned five Kahoks, but the bevy of errors hurt.

CHS took the lead with three runs in the first inning and added one in the fourth and three more in the seventh.

The two Trojan runs came in the seventh frame as Austin Lewis led off with a single, Bob Link got a free ride and Wayne Welborn singled to score Lewis.

Carl Foenille hit to the pitcher and Link crossed the plate.

### Golf Tournament For MHS Teachers

Madison High School teachers have organized a golf tournament with 11 registered to play Saturday and Sunday at the Camelot course in Collinsville, teeing off at 7:30 a.m.

Tuesia Franks, an industrial arts teacher, is the principle organizer.

A trophy will be awarded the best golfer and plans are to make it an annual event for MHS.

**SOUTHWESTERN CONFERENCE CHAMPS,** the Granite City High School tennis team, are, left to right, first row, Duane Parrish, Mike Gaines, Gary Rushing, Willie Christopher, Rick Gaines and Mike Hickey; and second row, Frank Beatty and

Mark Cruse, team managers, Steve Doroghazi, Rich Paschedag, Joe Papes, Russell Cherry, John Blättner, Greg Jones, Robbie Parmley and Coach Dick Harmon.

## GC to Host District Tennis Tourney Friday

Granite City High School will be host to the Illinois High School Assn. District Tennis Tournament beginning 3 p.m. Friday and resuming at 9 a.m. Saturday.

Two hundred and sixteen

teams are entered in 30 district centers. First and second place winners in singles and doubles from each District, together with four singles and four doubles from the Chicago Public High Schools Athletic Assn.,

will compete in the state final round in the state. Evanston High School won the title in 1970 and Libertyville High School was runner-up. The Warriors won the district last

year and made it to the second round in the state. Schools playing here will be Alton, Bethalto, Collinsville, Edwardsville, Jerseyville, Roxana and GCMHS. A drawing will be held tonight to determine pairings.

## Cougars Divide Pair at Greenville

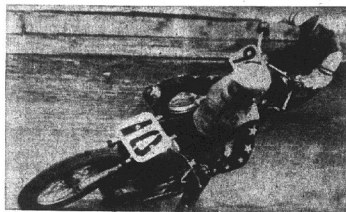

Steve Malone hurled a five hit shutout as Southern Illinois University-Southwestern split a twin bill Wednesday at Greenville, winning the first game 5-0 and bowing 4-3 in the nightcap. The shutout topped Malone's mound mark to 7-2 for the season and gave the SIU-SW Cougars a 20-10 mark. The season will close in a home game Sunday against St. Louis University.

The Cougars also are anticipating a bid for the NCAA college division district tournament.

Coach Roy Lee's SIU-SW team collected seven hits in the victory, including a two-run double by catcher Willis Bundy in the fifth inning when all of the runs scored.

The Cougars lost a 2-1 lead in the second game with Hawkins on the mound as the Greenville Panthers crossed the plate twice in the fourth inning and scored the clincher in the fifth.

John "Champ" Summers of the Cougars, one of the nation's RBI leaders, boosted his total with a home run in the second game. Roger Belshe worked behind the plate while Hawkins batted against four errors.

**KING OF THE TRACK** at the Tri-City Speedway again this year may be Neal Keen who rode to victory in his heat, his semi-feature and the feature race this week in the first of the Tuesday night motorcycle races at the local track.

## Keen May Again Rule Tri-City Cycle Races

If this week was any indication, Neal Keen and his No. 55 Yamaha will again be dominating the quarter-mile dirt oval at the Tri-City Speedway this year at the weekly Tuesday night American Motorcycle Assn. sanctioned races here.

Keen pulled through the pack into the lead halfway through the feature event Tuesday and held the lead to the checkered flag despite determined efforts by Charles Chapple on the No. 81 bike. Jack Forrester finished third and Preston Weindon was fourth.

Keen and Chapple qualified for the feature from a starting pack of 45 motorcycles by winning their heats and semi-features. Chapple also earned the prize money for the fastest time

trial, one lap in 15.99 seconds, an average speed of more than 56 miles per hour.

The cyclists raced for a purse of \$824 as a crowd of more than 700 watched. The crowd was apparently small because of threatening weather but Tuesday night's showers held off.

"As the crowd begins to grow, so will the prize money," Jesse W. Tetstam, an AMA referee, commented. The race was the first of the weekly AMA sanctioned motorcycle races at the track this year. Size of the bikes has been limited to 250 cubic centimeter engines for the Class "C" races. Time trials begin every Tuesday at 7 p.m. and the first heat is scheduled for 8 p.m.

## Parade to Open Park Baseball on Saturday

The annual Granite City Park District baseball parade will be held Saturday, followed by ceremonies at the Wilson Park diamond No. 1, to officially open the 1971 boys' baseball season. The parade will start at 1 p.m. from 24th Street and Madison Avenue, proceed up Madison to 29th Street and turn to State Street and to the diamond.

Boys from 7 through 17, representing 77 baseball teams, will participate. The five Park District commissioners, Henry Gabriel, Barry Loman, Milton Worthen, Clarence Baumeyer and Paul Thompson, will ride in convertibles and throw balls to the children along the parade route.

Park Supt. Harold Brown, and park officers Thomas Hewlett, Frank Rea and John Mink also

will ride in cars over the parade route, Dave Morgan will serve as parade marshal.

Other features will be the Granite City High School band and the "Rolling Nobles" of the Ainaud Temple Shrine.

The assembly area will be between the fire station and post office on Madison Avenue. All autos in the parade are to park on the east side of the Madison Avenue Parkway and teams are to line up in their respective divisions. All team members are to be present by 12:15 p.m.

Members of the Atom Division will be first in the line of march, followed by the Bantam Division, the Midge Division and the Juvenile Division.

### Summers-McIntosh Betrothal Told

The engagement of Barbara McIntosh of Belleville and John C. Summers, a son of Mr. and Mrs. John Summers, 2405

Wilson Ave., is announced. The wedding is planned for July 3 at St. John Lutheran Church in Granite City with the Rev. Samuel Boda officiating.

The bride-to-be is a daughter of Mrs. Bess Marchetti of Belleville, and Leo L. Cella of South River, N. J. She is a graduate of the East St. Louis High School and is presently employed as a traveling beauty consultant.

Her fiancé is a senior at SIU-SW majoring in physical education and is a basketball and baseball athlete. He plans to teach at the high school level after graduating.

## McKinley PTA Unit Installs

The McKinley PTA held an installation at its final meeting of the school year Tuesday evening. Mrs. Sadie Bringer, president, presided and the PTA prayer was read by Mrs. Janet Fuhrman. Mrs. Sandy Simpson, treasurer, and Mrs. Juanita Hunter, secretary, gave reports.

Announcements were made on a fish fry tomorrow from 4 p.m. until 7:30 p.m. "Sloppy Joes" also will be available.

The school picnic will be held Thursday, June 3, at Wilson Park and parents are being requested not to park on the Niedringhaus School playground.

The annual faculty appreciation dinner will be June 4 immediately after school is dismissed. The catered dinner will take place in the school cafeteria and officers of the PTA will be in charge.

The Area PTA Council will meet at McKinley May 27. Installation of officers and a district school of instruction are planned.

Mrs. Getrude Luebber announced that school safety patrols will be honored at a special luncheon tomorrow. It will be followed by a trip to the park.

Mrs. Sandy Simpson, Girl Scout representative, announced a May 17 Brownie fly-up at the school. She stressed the need for leaders for both Brownies and Girl Scouts in the next school year.

The sixth grade class of Mrs. Luebber thanked the PTA for fans which have been installed at the school, and for a field trip to the St. Louis Art Museum and Museum of Transportation. The 18 fans which the PTA has purchased for the school have been modified by Clarence Bringer.

The PTA has presented checks to the following teachers for class trips: Mrs. Ruth Wojcik, third grade, zoo; Mrs. Pearl Albom and Mrs. Ann Brenda Heinritz and Mrs. Boyle; and Mrs. Linda Treadwell, zoo.

An auditing committee was appointed; serving will be Mrs. Juanita Hunter, Mrs. Imogene Taylor and Mrs. Joyce Thomas. The room count award

## 'Old Guys' Jazz Concert Sunday

The Old Guys Jazz Band will present its third annual benefit concert of Dixieland jazz Sunday at 8 p.m. in the Communications Building theater at Southern Illinois University-Southwestern campus.

Featured with the Old Guys will be blues singer and pianist Jean Kittrell, known professionally as "Queen of the Blues." When not performing, Miss Kittrell teaches English at SIU-Carbondale campus.

One of the pioneers of jazz, George Brunis, New Orleans musician known as the "Daddy of the Tailgate Trombone," will also appear with the Old Guys. Brunis, who brought jazz up the river from New Orleans more than 50 years ago, is the composer of such jazz hits as "Tin Roof Blues" and "Angry," which he will perform at the concert.

The Old Guys Jazz Band released its first long playing record, "Jazz on Campus," last year and plans a second album. The old Guys are members of the SIU faculty.

Admission to the concert is \$1.50 for adults. Children under 12 will be admitted for \$1. Proceeds will go to the Old Guys Student Loan Fund, SIU Foundation, SIU-SW.

### SIU-SW FACULTY GROUP TO PERFORM

Southern Illinois University's faculty woodwind quintet of the SIU-SW campus will give a concert Sunday at 8:15 p.m. in Lovejoy Library auditorium. The public is invited, admission free.

Members of the quintet are Janet Scott, flute; Herbert Oberling, oboe; George Mellett, clarinet; Kaid Friedel, horn; and Robert Wineskey, bassoon. They will be assisted at the piano by Marion Cambon.

Included on the program will be Passacaille by Barthe; Scherzino, Opus 24, by Gardner Read; La Cheminee du Roi Rene by Darius Milhand; and Sextet, Opus 6, by Ludwig Thullie.

## 13-Year-Olds Now Eligible to Join DeMolays

The International Supreme Council, Order of DeMolay, has elected to lower the DeMolay age requirement to 13. Acceptance of the action was left to the executive officer in each state.

The proposal was presented to and accepted by DeMolay members at the Illinois DeMolay Congress in Peoria. As a result of this action, Executive Officer Edward C. Bieser announced that 13-year-old boys may petition the Order of DeMolay in Illinois.

Founded in 1919 by the Frank S. Land, the order began with nine boys and has expanded to nearly 2,500 chapters and a present membership of 150,000. The main purpose of DeMolay is the building of better citizens and creating leaders through the development of character in young men.

However, the purposes of DeMolay have assumed new meaning and value with the modern trend of young people seeking to become more independent from their parents and the "establishment" and to find a new self-identity.

The very heart of DeMolay—its ritual—is an excellent means of eliminating any young man's feeling of nothingness and giving him the feeling of being somebody. The greatest change in a boy's life is between the age of 13 and 21. At 13, it is felt a boy has a lot of growing up to do and at 21 he is molded into the man he will be. It is hoped that young men in communities where DeMolay chapters exist will take advantage of the lower age requirement by petitioning the order at an early age. Petitions to join the local James Stuart Chapter which meets at the Masonic Temple may be obtained from any DeMolay or the Master Councilor Bruce Hawkins by calling 931-2680 or any advisor or by calling the chapter advisor, Charles Meyer at 451-7575.

## Expansion of Scouting is Dinner Meeting Objective

"Scouting is more important today than at any time in our history," Dave Fox, director of

marketing for the First Granite City National Bank, told a group of 70 civic leaders Monday evening at the First United Presbyterian Church.

The purpose of the dinner was to discuss expansion of the Boy Scout program in this area. "The Scouting program today, if properly interpreted and handled to best advantage the personal qualities and traits in a young man such as interpersonal relationships, self-confidence, leadership, and citizenship, is particularly meaningful," Fox continued.

Attending the dinner meeting, sponsored by the First Granite City National Bank, were representatives of church, school, veteran, labor, civic and fraternal organizations.

Participating in the program were M. C. Wilmsmeyer, president of the First Granite City National Bank; Leo Konzen, district chairman for the Uniwah (Quad-City) district; Father Lawrence Mattingly, pastor of St. Elizabeth Church; Walter Strange, chairman of the dinner committee; Walter Gavlick, vice-chairman of the district; Wilbur Irlan and Mark Yehling of the Boy Scout professional staff.

Charles Legas of Madison, district organization and extension chairman, acted as master of ceremonies.

Persons who were unable to attend the meeting and are interested in having their group organize a Scout unit may obtain more information by contacting anyone on Mondays program or the Boy Scout Office, 1330a Niedringhaus Ave., phone 876-0865.

### Missouri May Permit Sunday Liquor Sales

Missouri may soon end its ban on Sunday liquor sales in restaurants. The 22-45 House passage yesterday followed earlier Senate approval, and Gov. Warren E. Hearnes is expected to sign the bill.

"I am delighted, even though it will probably reduce bridge toll receipts," St. Louis Mayor Cervantes said. He foresees an extra 2,500 to 3,000 jobs due to convention and tourism gains. On Tuesday, the Missouri Senate Judiciary Committee recommended passage of a House-approved state constitutional amendment to permit pari-mutuel betting at horse races. The committee added a provision to allow a state-operated lottery.

## Nameoki Board Authorizes Tax Warrant for Welfare

Medical payments amounting to more than \$3,000 and a "stack of medical bills over 2 inches high yet to be approved by the state," were cited by Nameoki Supervisor Louis Whitsell in requesting the Nameoki Town Board of Auditors to approve a \$10,000 tax anticipation warrant for the township's general assistance fund Monday night.

The warrant was approved by the auditors after Whitsell explained that many bills were held up through March. "Payments were not made, therefore, the true state of the general assistance fund was not reflected in the annual report submitted by the former supervisor," Whitsell commented at the meeting.

A \$15,000 warrant in anticipation of the 1970 tax collection was authorized by the township board in February. The amount also was payable into the general assistance fund, Whitsell said.

The supervisor commented on the number of bills now being received for the township highway department. He noted that a survey currently is under way to determine which bills are still outstanding. The elimination process is impeded, somewhat, Whitsell said, as no statement relating to highway maintenance expenditures was left by the previous road commissioner. The new highway commis-

sioner, Albert Bell, reported the East St. Louis and Interurban Water Co., has agreed to resurface that portion of Fifth Street in Madison under which the utilities firm installed a water line last fall.

**Complaints on Street** "I have received quite a few calls complaining about condition of the street," Bell said, "including a call from one man who broke a tire and wheel on a pipe sticking out of the ground." He said the water company has agreed to patch the broken pavement temporarily until weather permits the resurfacing project to start. Poor road conditions on Amhurst, Yale, University and Princeton streets in State Park Place were brought to the auditors attention, and a serious drainage problem on Stratford Lane, in the vicinity of Wilshire Drive, was reported by Auditor Robert Beedle.

Letters have been mailed to former township office employees requesting return of typewriters owned by the township. Clerk Douglas Tector reported. He said inquiries also have been sent to all area banking institutions relating to interest rates available on investment of surplus funds.

The township's mosquito spraying equipment has been thoroughly checked and units should be ready to begin spraying various areas this week, Whitsell reported.

**Pitman President of  
County Bankers' Group**

J. J. "Chuck" Pitman, vice-president and cashier of the First Granite City National Bank, has been named president of the Madison-Denton County Bankers' Federation.

The election was held during a dinner meeting Tuesday at the Sunset Hills Country Club. The dinner concluded the third annual "Play Day" of the bankers' federation.

Elected to serve with Pitman during 1971-72 were James Foley, First National Bank in Madison, vice-president; Michael Breen, Hamel State Bank, secretary; and Emmett Nelson, Alton Banking and Trust Company, treasurer.

## Larry Harvey Home From Vietnam Duty

Army Specialist Five Larry D. Harvey, 20, has returned home following a 12-month tour of duty in South Vietnam. He currently is spending a 30-day leave with his parents, Mr. and Mrs. Douglas Harvey, 3804 Lake Drive, and his grandparents, Mr. and Mrs. Frank Owens, 625 Lincoln Ave., Venice.

A 1969 graduate of Granite City High School, Spec. 5 Harvey enlisted in the Army in January 1970. While serving in Southeast Asia, the serviceman was awarded the Army Commendation Medal.

Upon his arrival here from Vietnam, the Granite City soldier was honored by about 50 friends with a welcome home party.

Spec. 5 Harvey has 18 months remaining in a three-year enlistment. His new duty assignment will be in Germany.

### Park Window Pried

Someone pried on a large window of a concession stand at Wilson Park in a burglary attempt, it was reported at 8:15 a.m. Wednesday. The window was raised about eight inches. Some pieces of wire were stuck in the door lock. Entry was not gained.

## Thorngate Pink Tea, Guest Day

Members of the Thorngate Garden Club entertained Tuesday afternoon at their annual "guest day." A "pink tea" was held at the home of Mrs. Betty King, 2375 North St. Co-hostess was Mrs. Pat Polley.

The tea table, a round table covered with a pink satin cloth, held the silver coffee service. Lighted pink tapers were in silver candelabra. The napkins also were in pink.

Mrs. Lillian DeLips poured, serving guests from the Cloverview, Terrace, Garden, Study and Gardeners clubs.

A smaller refreshment table was covered with a lace cloth, centered with an arrangement of pink tulips and white flowers. Fresh whole strawberries with cream and powdered sugar were served along with cookies.

Favors were miniature pictures made of dried flower materials, tied with tiny velvet ribbons. Guests were seated at antique ice cream tables and chairs, miniature flower arrangements centering each table.

Each member of the host club had brought her family antiques and heirlooms for display. A member staffed each display table, giving background information on the various items. Mrs. King had her entire home open for the affair, enabling guests to view her many antiques and collections.

Those attending included Mesdames Frances Polley, Pearl Young, Kathryn Flaxbaum, Jean Bethel, Beulah Miller, Jerry Short, Marguerite Lexow, Valerie Theis, Bess Carson, Pat Blankenship, Clara Winter, Evelyn Briggs, Lida Thies, June Lux, Florence Rapp, Shirley Glenn, Marie Ends, Jackie Hackethal, and daughter, Mary Frances, Tomica Kirchoff, Margaret Kirchoff, Olga Tarpo, Caroline Stearns, Ruth Knapp, John Jenkins, Kenneth Brokaw, John D. Lentz and V.J. Lisac.

## Dr. Theis Cited for 35-Year Anti-Tuberculosis Leadership

Dr. Edward H. Theis, Granite City, was honored and Homer W. Davitz, Alton, was re-elected president of the Lewis-Clark Tuberculosis and Respiratory Disease Association Monday night when the association held its annual membership dinner meeting at the Lewis-Clark restaurant, East Alton.

Other officers re-elected to serve with Davitz for one-year terms were: three vice-presidents: Mrs. Paul B. Hanks, Hardin, Mrs. Valentine Kallal, Route Four, Jerseyville, and J. Lawrence Keshner, Alton; secretary, Warren Stoekey, Wood River; and treasurer, Joseph M. Schroeder, Alton.

Mrs. Paul Aderton Sr., Hardin, Mrs. James Gornall, Roxana, Thomas C. Hamlin, Highland, Mrs. Maurice Jacoby, Jerseyville, Mrs. Arthur Kamp, Kampsville, and Dr. Amos H. Rode, Granite City, were re-elected to three-year terms on the board of directors.

New directors, elected to three-year terms, were M. Harold Hord, Route One, Alton; Bennett Cole, Grafton; and Earl E. Green, East Alton. Special tribute was paid to Dr. Theis, Granite City physician, who recently resigned after serving 35 years as director of the Madison County Tuberculosis Association and the new regional group, which serves Madison, Jersey and Calhoun Counties.

A plaque inscribed "for distinguished service in the fight against tuberculosis and respiratory diseases, awarded to E. H. Theis, M.D., by Madison County TB Association and Lewis-Clark TB and RD Association," was presented by Davitz.

Davitz cited Dr. Theis as "a pioneer member of the Anti-Tuberculosis League and one of the founding

DR. E. H. THEIS

members of the Madison County TB Association.

"Efforts to eradicate TB were carried on in Madison County by the League, which conducted the Christmas Seal campaign for several years prior to 1936, when it turned over \$700 in Seal funds to the new organization.

"During its first year (1936) with limited funds, much work and very little time—the association gave countywide publicity to the sanatorium tax referendum, voted on at the November election.

"Madison County led all counties in the state in the size of the majority by which the tax referendum carried," the gathering was told.

Davitz said that Dr. Theis has held every office and major committee chairmanship in the association.

During his tenure with voluntary TB groups, Dr. Theis has observed Christmas Seal contributions in

increase from \$918 in 1916 to \$84,319 in 1970.

The executive director of the Illinois TB and RD Association, Ben D. Kinnham Jr., Springfield, presented plaque awards

to the local area campaign director, Mrs. Kenneth Curry, Wood River.

The awards cited the Lewis-Clark Association for being the first among 12 regional groups to surpass last year's Christmas Seal campaign total and for having achieved the highest per capita increase in campaign.

"Volunteer of the year" awards were presented to Jerry Fisher, Wood River, and Mrs. William J. Long, Edwardsville.

Dr. Robert O. Birkshire, vice-president of the Lewis and Clark Community College, Godfrey, was principal speaker for the meeting, which was attended by 100 persons.

The audience included Dr. Felicia Koch, Dr. and Mrs. Robert Hill, Dr. and Mrs. Francisco Dionea, Dr. George F. Dietz, Dr. Robert Cole, Dr. Cecilia Heilung and Dr. Mrs. W. W. Bowers from the Quad-Cities.

**GREEK BAZAAR SATURDAY WILL AID DEAF PUPILS**

Beta Chapter, Beta Sigma Phi, East St. Louis, will sponsor a Greek bazaar, featuring booths and attractions of other local chapters, on Saturday (from 10 a.m. until 4 p.m.) at the Holy Cross Church, 3801 Lincoln Trail Road, Fairview.

Pony cart rides and various games and skill booths will be offered as well as a treasure drive, sweet shop, silent auction, country store, handicraft booths and food.

The Beta Chapter has throughout the years supported the bi-county oral deaf program, and part of the proceeds will go toward purchasing items for the public school classrooms.

MRS. ROBERT J. ARBOGAST, who was married at Trinity Presbyterian Church in Toccia, Ga.

## Former Resident Wed in South

Announcement is made of the wedding May 8 in Charlotte, N. C., of Miss Carol Anne Yarbrough, a daughter of Mr. and Mrs. T. Earl Yarbrough, of Charleston, and Robert Joseph Arbogast, whose parents are Mr. and Mrs. Wilbert Arbogast, former Granite Cityans now living in Toccia, Ga.

The ceremony took place at Trinity Presbyterian Church with Dr. H. Louis Patrick officiating at the 2 o'clock service.

A reception was held afterward at the home of the bride's parents.

The newlyweds will live in Toccia, Ga., where Mr. Arbogast is employed. They are honeymooning in Florida.

## Women Prefer Work To Staying at Home

The majority of employed women would continue their jobs even if they had enough money to live comfortably without working, according to a U. S. Labor Department study released by Assistant Secretary of Labor Malcolm R. Lovell Jr.

The study of women's dual careers—at home and at work—is the first in a five-year "follow through" survey of a national sample of over 5,000 women 30 to 44 years of age.

Most of the findings compare the dual-career status of black and white women at home and at work.

"After five years of detailed study of this same group of 5,000 women, we think we will have more information on women's employment experiences and home attitudes than ever before assembled," Lovell said.

"Dual Careers—A Longitudinal Study of Labor Market Experience of Women" was prepared by the Center for Human Resource Research, Ohio State University, under contract with the Labor Department's Manpower Administration.

The study delves into women's behavior in the labor market; their attitudes toward the proper role of women, education and previous work experience; health considerations; family income, presence and ages of children at home, and the use of child-care services.

These factors are measured by the satisfaction with current jobs, their earnings, and hours of work, their job satisfaction, and the stability of their employment.

Some of the differences between black and white women may be traced to educational, cultural and geographic factors, the study noted.

It also found, however, "abundant evidence that discriminatory racial attitudes and practices are importantly related to career chances."

Some findings:

1. About the same proportion of all employed women would continue to work even if they were to receive enough money to live comfortably without working.

2. Black women started their careers in lower-level occupations than those available to white women. More black women than white began work in farm and service occupations; a small proportion of black women started as clerical and sales workers.

3. Black women are more favorably inclined toward the idea of mothers working.

4. They are more likely than white women to want paid employment when they don't need the money and to value good wages above intrinsic qualities of the job.

5. Black women are less likely to be satisfied with current jobs and are more likely than whites to take another job at higher wages.

6. Although black women are half as likely as white women to have white-collar jobs, those who do have higher educational attainments than their white counterparts.

7. The study director for the overall study, which covers young men and women 14 to 24, and men 45 to 59, as well as the 30 to 44-year-old women, is Professor Herbert S. Parnes of Ohio State.

## Vocal Music Students to Present Spring Concerts Tonight, Friday

The Vocal Music Department of Granite City High School will present its "Spring Concerts" tonight and Friday evening, starting at 8 o'clock, in the school cafeteria.

Two concerts will be presented to afford each of seven choral groups an opportunity to perform a more extensive program of music, Raymond Voor-

hes, vocal music instructor explained. He pointed out the twin programs also permit additional talented students an opportunity for solo work.

This evening's concert will feature the Advanced Mixed Chorus, Contando and the Madrigal Singers.

The Advanced Mixed Chorus will present several numbers from their spring concert tour to Atlanta, including Psalm 150, "Turn Back O Man," "Turquoise Dove" and "I Hear a Voice A-Praying."

"Let Not Your Song End" and "With a Song in My Heart" will be featured by the Contando and the Madrigal Singers presentations will include two selections in the Madrigal style and two numbers from Jean Berger's "Villanelles."

Friday evening's 8 o'clock concert will spotlight the Girls' Glee Club, Boys' Glee Club, Sophomore Mixed Chorus and Seventh Hour Chorus.

The programs will consist of a variety of songs such as "Keep an Eye on Me" (a Negro spiritual), "To a Wild Rose," "The Water is Wide," "Shenandoah," "The Desert Song," and "This is My Country," among others.

Soloists from both concert presentations will be Christy Ashcraft and Ron Ebrecht, pianists, and Debbie Milton and Mark Clifford, vocalists.

Voorhes said that senior students will be honored on both evenings and Vocal Music Department honor and service awards will be presented to the outstanding music students.

## Spring Party For GCS Women

The annual spring party of the Granite City Steel women's organization was held Tuesday evening in the Officers' Club of the Granite City Army Depot.

Mrs. Ruth Rami served as arrangement chairman and 73 were present.

The tables were appropriately appointed and favors were artificial potted plants. The special prize went to Mrs. Betty Schlemer.

Entertainment was furnished by a group of Granite City High School band students under the direction of Joseph Owens, assistant conductor. At the close of the program there were games, with a number of prizes awarded.

An installation of officers will be held in connection with the June 8 meeting.

## SERMON TO EXPLORE FREEDOM, LIBERTY

What it means to experience genuine freedom and liberty will be explored at Christian Science services Sunday.

"I will walk at liberty: for I seek they precepts," a Scriptural verse to be read in the lesson-sermon entitled "Morals and Immortals" states.

The service at the First Church of Christ, Scientist, 2650 Delmar Ave., begins at 10:45 a.m. Sunday.

### SHERMANS HONORED AT FAREWELL DINNER

A pot luck dinner and farewell get-together was held Monday evening at the Good Shepherd United Methodist Church in honor of Mr. and Mrs. James Sherman and their children, Jo Lynn, Judy and Jackie, who have moved to Litchfield, Ill. Rev. Eugene Maritt opened the program with prayer.

The Shermans were presented with gifts. Games were held for the children and gospel and spiritual singing were enjoyed in the sanctuary.

Guests were Mr. and Mrs. Dwayne Hurt and daughter, Cathy, Royal Hurt and family, Steve, Sherrie and Shelley, Mr. and Mrs. John Stengel and son, John, Mr. and Mrs. Bud Layton, Mr. and Mrs. Robert Jones and children, Dennis and Joanne, Mrs. Gary Roberts and children, Diane, Angela, Timmy and Jeffrey.

Rev. and Mrs. Maritt and children, Terry, Sherrie and Randy, Mrs. Edna Morelli, Mrs. Millie Stomum, Mr. and Mrs. Bill Hesselz and children, Janice and Eddie, Bill Parks and Mrs. Gary Rainwater and children, Judy, Tina and Gary Lyn.

The members also celebrated the birthday of Bud Layton.

### REDEDICATION HELD BY GIRL SCOUT LEADERS

A candlelight rededication ceremony highlighted the final meeting and dinner for Girl Scout Leaders of Neighborhood Three Tuesday evening at Rusty's restaurant, Edgewoodville. Regular associational meetings will resume Sept. 7.

Following a smorgasbord dinner, a program was held to "pin" several new leaders and to honor the retiring chairman, Mrs. Vivian Davis.

Mrs. Doris Stotz, chairman, gave the welcome and introduced Mrs. Virginia Marlette, district chairman, Miss Judy McCarthy, district advisor, and a former chairman, Mrs. Helen Santagato, who was associated with the Tri-City Council.

Mrs. Davis was presented an inscribed silver charm bracelet with a trefal charm upon her retirement. Mrs. Davis will continue to be active on the neighborhood service team as Junior Scout consultant. Nine new leaders were pinned by Mrs. Stotz and Mrs. Davis — Mesdames Eva Arbogast, Allene Arnold, Millie Hand, Marge McQuaide, Edith Neiseporek, Ruth Schreiber, Annette Scrum, Jo Stephens and Lois Wright.

Mrs. Stotz expressed appreciation to Miss Vicky Yetter for her continuous work with handicapped children; Miss Yetter is leader of Junior Troop 245. Later in the evening, Miss Yetter was honored on her birthday. Reappointment letters were given to the leaders.

Mrs. Davis conducted the rededication ceremony, with leaders renewing the scout promise in union. Mrs. Barbara Blackburn and Mrs. Stotz assisted in lighting ten candles representing the scout laws.

Mrs. Santagato led the closing with a friendship circle, "Taps" and the scoutmaster prayer.

The chairman announced a Cadette event May 22-23, sponsored by the senior planning board.

Leaders concerned with the retarded children program are to her Mrs. Goldberg of St. Louis, who will speak May 24 following a regular meeting of the Association for the Retarded, held at St. John's United Church of Christ; Mrs. Goldberg worked with a handicapped troop in Missouri.

Other leaders participating were Mesdames Mary Earls, Rosemary Wilson, Jean Holder, Joan Oram, Mae Lee, Betty Van Gilder, Carroll Siebert, Pat Eaton, JoAnn Dix, Norma Maclos, Mary Fryntko, JoAnn Jarrett, Joan Yetter, Velma Collins and Carmen Grider and Miss Linda Polette.

Table appointments were in a patriotic theme, with floral centerpieces. Mrs. Fryntko and Miss Polette were hostesses. Prizes were won by Mrs. Eaton, Mrs. Wilson, Miss Yetter and Mrs. McQuaide.

### Boy, 8, GC Man Hurt In 3-Way Accident

Dennis Douglas, 8, a passenger in an auto driven by his father, Marvin R. Douglas, of Collinsville, was injured in a collision with an auto driven by Robert Mohundro, 22, of Collinsville, and a pickup truck driven by Darvin D. Ollis, 23, 3rd St., as Ollis was attempting to turn in his driveway at 8:25 p.m. Tuesday.

Mohundro complained of pains. The Douglas boy was taken to St. Elizabeth Hospital with a laceration to the forehead requiring 14 sutures and was released following treatment and x-rays.

**MISS KATHLEEN KRPAN**  
Miss Kathleen Krpan, daughter of Mr. and Mrs. George Krpan, was honored with a miscellaneous bridal shower this week at the Venice Recreation Center. She will become the bride of Ronald P. Kube, son of Mr. and Mrs. Paul Kube, May 29.

The shower was given by Mrs. Lee Krpan and Mrs. Olga Kube, mothers of the prospective bride and groom. Assisting the mothers were members of each family.

The gift table was centered with an elaborate white ruffled umbrella, decorated with white carnations. The front and sides of the table were draped in aqua and orchid with white bells. Bells also were hung over the gift table and throughout the hall.

Favors were miniature champagne glasses on doilies tied with aqua and orchid ribbon filled with assorted mints.

Guests were given floral corsages for Mother's Day, made by Cathy and Anita Gilbert, Diane Hoguler and Linda Stuan, foster children of Mr. and Mrs. Kube.

The bride-to-be was assisted in opening her many gifts by her bridesmaids, Mrs. Linda Rock and Miss Deborah Krpan, sisters of the bride, and Miss Lynne Marie Gorman, cousin of the bride. Another cousin, Miss Karen Dobrowolski, also a bridesmaid, is away at college. A buffet luncheon was served to the guests, after which prizes were awarded.

Attending were Mrs. Violet Dobrowolski and Mrs. Anna Krpan, grandmothers of the bride-to-be, Mrs. Ann Gorman and daughters, Lynne Marie and Mary Kaye, Betty Dobrowolski and daughter, Janet, Theresa Carnahan and daughter, Pamela, Helen Withers and daughter, Laurie.

## Second Appeal Made

### For Recreation Aid

An appeal for donations of office equipment, softballs, basketballs, ping pong equipment and other sporting equipment was repeated this week by the Eagle Park Acres Improvement Association for establishing a recreational center in the new community recreation building.

A schedule of summer youth programs was initiated yesterday with Don Gaitner serving as recreation program director. Gaitner also is chairman of the Recreation Center Committee of the improvement association which initiated the project. Programs are to be available at all age levels with college and high school students supervising activities.

Gaitner said money is not being sought in the appeal, but that the center needs all types of office equipment and athletic equipment. Those willing to contribute such items may call Gaitner at 452-3365 or 876-3424.

## Bi-State Transit's New Luxury Buses Previewed

A preview of 69 new luxury buses to be added to the Bi-State Transit System fleet was held at Bi-State Transit's two Illinois operation division headquarters yesterday.

The preview at Bi-State Transit's Belleville division, 406 West Main St., was held at 11:30 a.m. and the East St. Louis division, 200 South Tenth St. at 2:30 p.m.

The new buses which will go into service on Illinois lines as quickly as processed will bring the total of new buses purchased to 331 since Bi-State Transit System was established

in 1963. This constitutes approximately one-half of the total fleet.

The addition of the 69 new buses was made possible through grants from the State of Illinois and the federal Department of Transportation at a cost of approximately \$2,500,000. All of the new vehicles are equipped with two-way radios and the latest emission control features.

Present at the preview were Col. R. E. Smyser Jr., Bi-State Development Agency executive director; John C. Baine, chief executive officer, Bi-State Transit System; the Honorable James E. Williams, mayor of East St. Louis, and the Honorable Charles E. Nichols, mayor of Belleville.

### MOTHER-DAUGHTER BANQUET AT CHURCH

Mothers' Day was observed this week at Graceland General Baptist, 2833 Johnson Road, with a mother-daughter banquet. Decorations were in keeping with a springtime theme.

A large flower cart was filled with flowers and topped with a large umbrella. Table favors were miniature May baskets. Miss Sandy Falloni was in charge of decorations.

A singalong was led by Misses Kathy and Mary Lincoln. Special music was furnished by the Choralaires, a girls vocal group from the church. Also participating in the musical program were Mrs. Lorene Fox and her daughters, Barbara, Deborah and Janet.

Mrs. Lorene Fox, banquet chairman, was recognized. Others on her committee were June Perkins, Mrs. Edith Feltmeyer and Miss Falloni.

A playlet, "Mother's Day Off," was presented by Mesdames Anne Taylor, Della Lindsay, Mildred Lovejoy, Jean Dickerman and Shirley Caldwell.

Attending were Mrs. Kathryn Lincoln and daughters, Mary and Kathy, Mrs. Wanda Keelin and daughter, Missy, Mrs. Alma King, Miss Mary Ann Tindall, Mrs. Glenda Morelock and daughters, Jackie and Tracy, Mrs. Caldwell and daughter, Melodie, Mrs. Barbara Johnson and daughter, Vicki.

Mrs. Peggy Browning and daughters, Rhonda, Sheila, Laura and Pam, Mrs. Jewell Jung, Doreen Lakin, Mrs. Sue Dothan and daughter, Gena, Mrs. Pearl Goinz, Judy Stenitzer, Mrs. Edith Feltmeyer, Mary Phillips, Mrs. Riggs and daughter, Marlene, Mrs. Hazel Knuckels and daughters, Cindy and Sandy.

Mrs. Mildred Lovejoy and daughters, Becky and Jo Ann, Mrs. Leona Angle and grand daughter, Kathy Malone, Mrs. Nettie Keane, Mrs. Anne Taylor, Mrs. Ann Horn, Mrs. Della Lindsay, Betty and Jeanie Lindsay, Mrs. Naomi Mathis, Linda Mize, Mrs. Linda Holifield and daughter, Diane.

Mrs. William Walker, Mrs. Carolyn Reese, Mrs. Dickerman and daughter, Carmen Ward, Mrs. Rachel Tucker and her daughter, Mrs. Lorene Fox and daughters, Barbara, Debbie and Janet, Mrs. June Perkins and daughter, Karen, and Mrs. Falloni and daughter, Sandy.

### ANNOUNCE BIRTH

Sgt. and Mrs. Edwards Erickson, Granite City Army Depot, are announcing the birth of their second child, a daughter, May 11 at Christian Hospital Northwest, Florissant, Mo. Melissa Jean is the name chosen for the new arrival who weighed seven pounds, five ounces, and will be greeted at home by her sister, Stacey, age two years.

Sgt. Erickson has been stationed at the Depot since April 1970. The maternal grandparents are Mr. and Mrs. Sam Young, Chippewa Falls, Wis., and Mrs. Marion Erickson, Saukville, Wis., is the paternal grandmother.

Junior Girl Scout Troop 575, sponsored by the Nameoki PTA, held its second weekend camp-out of the year, braving the rain to set up camp at the platform tent area of Camp Chayna-Ta near Prairiepoint.

Transportation was furnished by Mrs. Jo Terrell, Mrs. Arlene Haldeman and the leader, Mrs. Betty Tester. Staying with the scouts were the leader, Mrs. Judy Ozier, and Mrs. Gene Lybarger and Mrs. Ruth Bunch. Accompanying the mothers and older sisters were Marti Bunch and B. J. Lybarger.

Skills the girls made use of included fire building and outdoor cooking. They also enjoyed hiking and the troop carried out conservation, planting pine seedlings.

Attending were Sara Lybarger, Tami Terrell, Mary Vaughn, Pam Cunningham, Vickie Charley, Diana Bunch, Jackie Billelo, Gail Spiole, Debbie Schwendeman, Debbie Dittmer, Susan Davis, Paula Jones, Jo Ann Edwards, Pam Tester, Dennessa Hagerty, Claudette Beedle and Joyce Haldeman.

### HONOR NUNS, PASTORS

An award dinner of the Round Robins pinocle and bridge clubs was held at the K. of C. hall Tuesday evening. Proceeds will go to the Dominican Sisters at Sacred Heart Church. It was the third annual event for the 12 groups.

Honored guests were the Rev. Joseph Enright, pastor of Sacred Heart, the Rev. Daniel Flynn, assistant pastor; the Rev. Dineen of Troy and the Rev. Kevin Sullivan of Springfield, both former assistant pastors at Sacred Heart; Sister Estelle principal of Sacred Heart School; and Sisters Corde, Patricia, Josephine and Mary Ruth.

Chairmen of the tournament were Mrs. Helen Bertacchi, pinocle, and Ernest Trachsel, bridge. Chairmen for the coming year are Mrs. Jackie Francis, pinocle, and Mrs. Bernice Gronk, bridge. Top prize winners were Mrs. Elsie Morrison and Bill Rotter, for the bridge division and Mrs. Ruby Range, Mrs. Grace Hennrich and Margaret Richardson for pinocle. Mrs. Bertacchi and Trachsel were presented with gifts from the groups.

### 11th ANNIVERSARY

Mr. and Mrs. Ronald Eaton, 3400 East 25th St., celebrated their 11th wedding anniversary at dual weekend parties at the Nook's Ark restaurant, St. Charles, Mo., and the Stoghtel Northwest, Florissant, Mo. Melissa Jean is the name chosen for the new arrival who weighed seven pounds, five ounces, and will be greeted at home by her sister, Stacey, age two years.

Sgt. Erickson has been stationed at the Depot since April 1970. The maternal grandparents are Mr. and Mrs. Sam Young, Chippewa Falls, Wis., and Mrs. Marion Erickson, Saukville, Wis., is the paternal grandmother.

## GC Softball Back With 91 Teams, 12 Loops, 2 Parks

Softball has returned to the Granite City park district, and six games were played this week despite periods of rain. Competition will continue to night and during the weekend.

Ninety-one slow-pitch teams are ready to go, including seven in the "Junior" Pool League for players aged 35 and over; 10 in the junior high girls' league; another 10 in the high school girls' circuit; and six in the high school boys' league.

Women, aged 17 and over,

have formed a Class A League of seven teams and a Class AA League, also attracting seven squads.

Men, 19 and over, make up a seven-team "Church" League. Also for men is a five-phase Classic League.

The Classic has a Class AA group of eight teams and divisions for all directions of the compass—North, eight teams; South, seven; East, six; and West, eight.

On Tuesday night at Worthen

Park, Southern Classic tilts saw Abel's Auto Body win over Patrons 19-2. Pest Control Jets over Andria's 7-6 and Hagg's Hermies over Frederick 11-0.

The same evening, in Women's AA play at Wilson Park, it was Mercer Ambulance over Ding Bats 14-2, Rebels over Vaughn's Pharmacy 9-8 and Kentucky Fried Chicken over Mathews Chevrolet 9-4.

With the 7, 8 and 9 o'clock games given in that order, tonight it will be Roxy's Realty-Victory Athletic Club, Murdock Falstaff-Sammy's and Mercer-GC Merchants in the AA Classic at Worthen Park.

## Cougars in Contention for NCAA District Tourney Bid

Southern Illinois University-Southwestern's baseball team, with a 194 record as of midweek, was in contention for a berth in the NCAA college division post-season tournament in District 4.

Eight teams are expected to be named to play in the district for the right to play in the mid-east regional championship at the end of May or first of June at Southwest Missouri State at Springfield. The local Cougars made it to the regional finals last season.

The Cougars will close their regular baseball season Sunday against St. Louis University at the Cougar field.

Statistics of the Cougars after 28 games show one player, John "Champ" Summers, in the top 10 in the nation in the run-batted-in race with 31. The listing was released by National Collegiate Sports Services, New York.

Coach Roy Lee's eight regular starters are hitting at an awesome .344. Overall for the season, including all batters, the team's batting average is .310. The hitting figures for the top eight are: Mike Allard, Edwardsville, .354; Dennis Schuttenhofer, Belleville, .370; Dan Cole, St. Louis (Normandy High), .413; John Summers, Madison, .332; Jerry Kiefer, Belleville, .351; Rick Reck, Belleville, .292; John Belk, St. Louis (Fairview High), .256; Roger Belshe, Granite City, .341.

Steve Malone, who was the Cougars' top mound ace, lost his lead to Ron Middleton. Malone was 6-2 with an earned run average of 3.00. Middleton was 7-1 with an ERA of 2.00. Don Rains was 5-2 with an ERA of 4.88. Southpaw Malone leads in strikeouts with 77 over 54½ innings, while Middleton has whiffed 52 in 60½ frames.

**FISH ANYONE?** Lee Reid, left, and Don Kopp are two happy Granite City fishermen as they hold three bass weighing 3½, 7½, and 4 pounds, caught on a bomber lure in Norfolk Lake, Ark.

## No Boredom in GC Family of Seven Children, Two of Them Adopted

By DONNA HOGAN  
Press-Record Staff Writer

Boredom in suburbia certainly does not pertain to Mr. and Mrs. Bruce (Louise) Williams, parents of seven young children, active church members at the Third Baptist Church and both employed.

The Williams family which lives at 3257 Edgewood Drive, includes five daughters, Mona, 13 years old; Melody, 11; Dawn, 10; Judith, 7, and Heather Lynn, 2; and two adopted boys, Anthony Bruce, 2, and Shawn Douglas, 11 months.

Happy and well organized, Mrs. Williams became interested in adopting children after viewing a program on television concerning adoption agencies and their need of parents to adopt children who were past the infant age.

Her first attempt was made with the Welfare Department of Wayne County in Richmond, Ind., where the family was living at the time. Here they received adoption of one or two boys.

**Dropped Indiana Plea**  
The Williams are required to travel quite a bit as Mr. Williams is an engineer for the Ralston-Purina Co. in St. Louis.

**Tennis Warriors**  
Tripped 3-2 by Belleville West

The Granite City High School tennis team was defeated at Belleville West 3-2 Wednesday for their third loss of the season, with 15 wins.

Mike Gaines won 6-4, 6-2, 6-2. Joe Papes won 6-0, 6-3, and Richard Pachadag lost 6-3, 4-6, 1-6.

GCHS dropped both doubles as Duane Parrish and William Christopher lost 7-8, 3-6, and Gary Loy and Rick Gaines lost 7-5, 1-6, 5-7.

After moving to Granite City, a child from Indiana because they had moved out of the state.

Here they contacted the Illinois Adoption Program Inc. offices in Cresswell, Ore., which handles the adoption of many Oriental children.

Almost at the same time they were notified by both agencies that a small boy was available for adoption.

During October the Williams family welcomed an American-born boy, Anthony Bruce, who was 2 years old on Feb. 14.

On April 6 they journeyed to Chicago to receive a small Korean boy named Park Chang Yul, whom they renamed Shawn Douglas.

Mr. and Mrs. Williams originally are from Anna, Ill., and moved to Granite City about 11 years ago when Mr. Williams went to work for the former Union Star & Refining Co.

Five years ago he transferred to the St. Louis company where he has traveled for the past three years. The family has lived in Arkansas, New York and Indiana.

**Mother Sells Real Estate**  
Mrs. Williams, who is a licensed real estate salesman, has worked for Lake Real Estate, Henry Ross and Morris Realty Co. She now is employed on a part-time basis with Heritage Real Estate and Metro-East Builders.

Working does not daunt Mrs. Williams spirit as she takes a play pen, car bed and rocking chair and the three youngest children with her to the display houses.

Staying active in church work, Mrs. Williams is a teacher in the junior girls' department, while her husband serves as a deacon at the church and is an active Sunday School superintendent.

This unusual family was not prompted alone by the plea on television to adopt children but through their faith that as Christians they should try to provide a good home and raise these children in a Christian home since they were abandoned.

Last weekend Mrs. Williams took the family on a picnic especially planned for some 25 families with Oriental children in the St. Louis area. Started as a fun and recreation project, it has become a discussion on any problems they may have encountered with adoptive children.

Mrs. Williams comments, "I have enjoyed the children and have not had a problem except with the little Korean boy whose sleep habits are different. At first he did not like sleeping in a bed and with the difference in time in the Far East and here his days and nights were mixed up. I have been told it will take from 5 days to six weeks for him to make the transition in time."

Area Extension Adviser,  
Ornamental Horticulture  
St. Clair and Madison Counties

**DIVIDE CHRYSANTHEMUMS**  
Chrysanthemums will maintain their beauty and performance if you divide the clump and properly re-space the new plants.

Right now is a good time to divide the thick mat of plants and re-plant. Completely break up the clump and re-plant the choice plants about three inches apart. Discard the weak plants and all the old stems from last year's plants.

If you decide to re-organize your whole garden, then spread one pound of 12-12-12 fertilizer on every 100 square feet and rake before re-planting and watering.

**TENT CATERPILLERS**  
Tent caterpillars are just hatching and appear as a mass of tiny worms on a miniature tent. One squirt of malathion or carbaryl on the colony will wipe out this young brood before they produce a tent over the entire limb.

Weekly inspection of your shrubs and trees will prevent damage and tough job control.

**AN EXTRA BOOST**  
You can boost young ornamental trees like magnolia, red-bud, dogwood and flowering plum with extra fertilizer.

Young trees are fertilized according to the size of the trunk. A 1½ inch stem is less than six inches in diameter apply one and one-half pound of lawn fertilizer per inch diameter of the trunk of your tree is a clump then multiply by the number of stems.

Use a lawn spreader to scatter the fertilizer beneath the spread of the limbs. Apply this extra treatment in early spring on top of your regular application of lawn fertilizer. This double dose will promote better grass growth near your tree while your tree thrives.

**THATCH IN BLUEGRASS**  
Research has proven a connection between thatch in bluegrass and the absence of worms.

Scientists haven't discovered all the details but can prove that excessive use of insecticides will cause thatch to occur. In all the tests where thatch builds up there is an absence of worms.

Whether worms feed on the dead clippings and plant surplus to control thatch or occur as bystanders is one of the mysteries. Scientists could use a wormholes in the sod as well as sifted the soil to confirm their findings.

Two applications of chlordane or dieldrin each year caused thatch to appear in two years while the surrounding turf remained free of thatch and seething with worms.

Short lived pesticides like carbaryl and diazinon were also tested by applying twice a year over a 3 year study. These short lived pesticides did not cause an occurrence of thatch and had little influence on worms.

**Parked Auto Struck**  
The left side of the auto of Gene Lipscomb, 223 E. 25th St., was struck by a hit-and-run driver while it was parked at 1900 Adams St. at 11:29 p.m. Wednesday.

**Airport Hearings to Be Held During July**  
Public hearings on the environmental impact of the proposed new St. Louis Metropolitan Area Airport near Waterloo will begin in July, Robert B. Lamkin, chairman of the airport authority, said yesterday at a special meeting.

Asked how many hearings there will be, Lamkin replied, "as many as necessary, that's all I can tell you. We will schedule them at convenient times so everyone who wants to get a chance to do so."

The regular meeting of the authority, set for May 26, was advanced to yesterday because of an Airport Executive Conference in Washington May 23-27 which will be attended by several authority members and Arven H. Saunders, executive director.

**Theft from Carport**  
Kenneth Painter, 2400 Dewey Ave., reported at 8:30 p.m. Wednesday that a 30-foot aluminum ladder and two boys' bicycles were stolen from his carport during the night.

**MORE ABOUT Police Award**

Police Associations; the Illinois Juvenile Officers Association; the Illinois Association for Identification; Metro Hoodlum Exchange for Illinois and Missouri; the Police Benevolent Association and the Illinois Division of the International Association for Identification.

**Extension Training**

Sgt. Nemeth's professional education included numerous courses in juvenile law enforcement and narcotic control and drug abuse. He has received specialized instruction at state universities, the F.B.I. and U.S. Army in such fields as police photography, bomb threat procedures, bank robbery and riot control.

To assist him in dealing with juvenile offenders, he has participated in courses on family counseling, child guidance and mental health.

Sgt. Nemeth is a graduate of Granite City High School and a member of St. Elizabeth Catholic Church. A surprise witness to last night's award ceremony was his mother, Mrs. Margaret Nemeth of Granite City.

**Ozark Vacation**

Along with the walnut and gold inscribed plaque, Sgt. Nemeth and his wife were awarded a three-day, expense-paid vacation at the Lake of the Ozarks and a \$100 check.

In his address, the Globe-Democrat publisher said, "I find it pretty frightening when 1,000 people try to disrupt the peace of this country by their actions."

"Disent is an inherent factor in our way of life. Dissent in our Supreme Court and government have become part of our daily life. . . have changed social attitudes and resulted in new laws. But this was the disruption of orderly dissent, not the dissent displayed this month in Washington," the speaker stated.

"Many of these dissenters were so far removed from the main stream of American thinking it was unbelievable," Bauman said.

"Dope was a factor in the peace demonstrations," he commented, adding that "first aid facilities set up by the dissenters themselves were unable to cope with the agonizing distress of youngsters on what they call 'bad trips'."

"The law enforcement officers did what they had to do in controlling the mob. How much worse it could have been had troops been called in. . . and how great it is that our country was found to be strong and capable in meeting the threat these disruptors tried to create."

The speaker concluded: "Attorney Randall Robertson served as master-of-ceremonies for the three-hour program, opened by Mrs. June Branding singing the National Anthem, accompanied by Mrs. Catherine French. The invocation and benediction were offered by the Rev. Terry She, pastor of St. Mark Catholic Church, Venice.

**Service Station Looted In Burglary at Night**

Burglars looted the Standard Service Station, Route 3 and W. Chain of Rocks Road, during the night. It was reported to Madison County authority Wednesday morning. The west side door was pried open.

Taken were cigarettes valued at \$50, \$40 from a vending machine and jewelry and knick knacks valued at \$300. The phone was pried off the wall.

### Installation by PTA at Webster

The Webster School PTA ended its current meetings for the summer Monday evening, when officers for the 1971-72 year were installed by the retiring president, Mrs. Annette Serum.

Installed were Mrs. Shirley Teresi, president; Paul Lingle, vice-president; Mrs. Peggy Herzog, secretary; and Miss Mary Veleff, treasurer.

Mrs. Serum gave the welcoming address and led the Lord's prayer. Final reports were given by the secretary, Mrs. Eva Arbogast, and treasurer, Lingle. Mrs. Doris Stolz gave a report on the recent school picnic and an auditing committee was appointed, consisting of Mrs. Arbogast, Mrs. Stolz and Vincent Serum.

Mrs. Serum announced that all the picnic workers are to attend a winner picnic May 22 at 6 p.m. at Wilson Park; meat, buns and snacks will be provided, and each is to bring a covered dish and a drink.

Booklets for upper level boys were approved and principal Clyde Lee conducted a room count. Mrs. Margaret Keady's first grade class won an award for highest percentage of parents in attendance.

Also discussed were PTA-sponsored field trips and one for sixth graders, who will go to Springfield in the month.

Lee spoke to the sixth grade students on "The Family Association at Webster." He said that work leads to success in life. A party will be held in honor of the class by the mothers and faculty members.

Mrs. Serum expressed her appreciation to the chairmen and committeemen who assisted during her two-year tenure. The installation was presided over by a past president pin and gift. Refreshments were served by the hospitality chairman, Mrs. Donna Jones, and kindergarten room mothers.

### Madison Junior Service Club Installs Officers

Cheshire Inn was the scene of the annual installation Tuesday night of the Madison Junior Service Club and the initiation of new members. Mrs. Lillian Delp was installing officer with the assistance of Miss Jeanette Triant, sustaining members of the club.

Dinner was served from tables adorned with bud vases holding carnations. The invocation was given by Mrs. Mary Stanfill, sustaining member. The floral centerpiece was awarded to Mrs. Clenna Vaughn.

Mrs. June Barham, retiring president, welcomed the guests and members. She was presented with a gift by Mrs. Rita Barnhart. The table used for the installation was adorned with pink carnations and the silver candelabras.

Installed were Mrs. Elvera Stagner, president; Mrs. Billie Bosworth, first vice-president; Mrs. Doris Patterson, second vice-president; Mrs. Jean Voegel, third vice-president; Mrs. Rita Barnhart, recording secretary; Mrs. Julia Voloski, corresponding secretary; and Mrs. Dorothy Smith, treasurer.

Board members are Mrs. Donna Morris, Mrs. Adrienne Warchol and Mrs. Shirley Clark. New members welcomed and initiated were Mrs. Evelyn Holt, Mrs. Fannie Fisk, Mrs. Janet Schultz and Mrs. Shirley Doxa. Each was presented with a carnation, with a corsage being presented to the new president and installing officers. A planter is being sent to Mrs. L. C. Harlan, who was unable

### St. Elizabeth Nurses Alumni Tea

The classes of 1931 and 1946 were honored Tuesday evening at tea given by the Nurses Alumni Association of St. Elizabeth Hospital School of Nursing at the hospital.

The tea table was decorated in red and white, and corsages and name tags were pinned on each guest by Josephine Coranski and Marguerite Fedtke as they arrived and signed the guest book.

Hostesses were Mrs. Martha Bishoff, Mrs. Georgia Harlow, Sister Marce and Mrs. Marieta Daniels.

Those present, besides those mentioned, were Dorothy Pa-

taky, Mary Hellrung, Dorothy Bruce, Catherine Delalays, Doris Elliott, Mary Fecht, Loretta Varble, Jeanette Loyt, Sister Theodore, Harriett Byers, Sister Stanisla, Genevieve Phillip, Sister Benedict, Leona Saboff, Nora Callis, Shirley Wendel, Nina Dittman, Roberta Garbo, Violet Fisher, Elvera Walk, Lela Kowula, Peggy Morrison, Bernadine Lombardi, Mary Saults, Ann Klarich, Sister Mary Benaventure, Sister Jerome, Gladys Burgess, Marjorie Hilker, Rose Marie Tax, Patt Tapp, Margaret Hill, Lois Haynes, Maxine Carson, Marie Rhodes and Sister Reinfeida.

### Niedringhaus WSCS Installation

The annual installation of officers of the Women's Society of Christian Service of Niedringhaus United Methodist Church was held Tuesday evening in connection with a monthly meeting in Wesley Hall.

Mrs. Maurice Hemphill, who was re-elected president, heads the list. She will be assisted by the following staff: Mrs. Marvin Van Metre, vice-president; Mrs.

Charles Hunsinger, secretary; and Mrs. Fred Pieper, treasurer.

Also installed were leaders and co-leaders, Mrs. Bruce Grushong, Mrs. Dale Carper, Mrs. Edgar Paddock, Mrs. Elmer Frohardt, Mrs. Gerald Bushue Sr., Mrs. Mildred Carter, Mrs. Glenn Wolfe, Mrs. Thomas Yates, Miss Virginia Segar, Mrs. Clara Wadlow and Mrs. Paul Pender, and chairmen of standing committees.

The Rev. Roy Baugh pastor, conducted the installation and also gave the program for the evening. It consisted of slides of an Alaska Mission.

Plans were made for the annual birthday party June 15. After the meeting refreshments were served by members of the executive committee at tables decorated with pink geraniums.

Mrs. Eva Meier, principal of Logan School, will be honored at an Open House at Logan School tonight, 7 o'clock. Mrs. Meier will retire at the end of this school year.

**HERE FROM GREENLAND, HONORED ON BIRTHDAY**  
A surprise birthday party was held at the home of Mrs. and Max Schreiber this week to honor their son-in-law, Tech. Sgt. Mike Birdson. A large cake decorated in pink and yellow was the table centerpiece. A buffet dinner was served to Mr. and Mrs. Gary Elkins, Mr. and Mrs. George Birdson, Harold Gillespie, Richard Barnes, Maxie, Mary Martha, Janie, Judy and David Schreiber and the honoree's wife, Linda. Sgt. Birdson is home on a 30-day leave from Greenland.

### Junior Service Executive Meet

The Granite City Junior Service club held an executive meeting at the home of Mrs. Marilyn Bodman, 3301 Princeton Drive Monday evening with newly installed officers presiding. Plans were made for a pot luck dinner June 21 in the home of Mrs. Farnicisa Radwin, 2 Shirlwin Drive.

Mrs. Carol Trittschuh, president, called the meeting to order. Reports were given by Mrs. Linda Saltich, who presented minutes of the previous meeting, and Mrs. Phyllis Steib, concerning four eye-glass cases. A letter was read from Mrs. Jean Ann Vrenick, who has been placed on the inactive membership list.

The club correspondence was read by Mrs. Loretta Kreovich and the yearbook was reviewed and approved. The hostesses served refreshments to Mrs. Trittschuh, Mrs. Steib, first vice-president; Mrs. Saltich, second vice-president; Mrs. Mary Lou Worthen, treasurer; Mrs. Radwin, corresponding secretary; Mrs. Radwin, recording secretary; and other board members, Mrs. Sandy Innes, Mrs. Bodman, Mrs. Mary Neeth, Mrs. Carolyn Thornburg, and Mrs. Kenz James.

**HILTOPPERS MEET AT ST. JOHN CHURCH**  
Mrs. Clara Knipping, president of the Senior Hiltoppers Club of St. John United Church of Christ, presided at the May meeting Tuesday at the church. Hostesses for the month were Mrs. Irene Hendricks, Mrs. Frieda Schafer and Mrs. Fannie Willroth, who served refreshments from tables decorated with spring flowers.

The June meeting will be a noon pot-luck luncheon at the church.

## St. Teresa Academy Holding Year-End Events

Several special end-of-the-year events were scheduled this week for St. Teresa Academy. Leading off was a two-hour program yesterday, set by Sister Carol Marie Lewis, A.S.C., social worker and counselor. The program presented various aspects of social work in the city of East St. Louis and in St. Clair County.

Booths were set up by Catholic Charities, Family and Children's Services, the 4 C's, the YWCA, the Salvation Army, the American Red Cross, the Illinois State Employment Service, Model Cities, State Community College, Family Service Agency for Southwestern Illinois, the Educational Talent Search Project, Legal Services, Project Life, the St. Clair County Mental Health Organization, the United Front of E. St. Louis, and the Economic Opportunity Corporation.

"The organizations have very much to offer, but the general public has no idea of the extent of available services," Sister Carol Marie pointed out. "This program is an attempt to disseminate this valuable information."

Student Recognition Day, a day of sharing between the students of various achievements of the year, was held today. A

style show was presented by the sewing department, featuring girls who have achieved an extraordinary quality and amount of work in the school's advance-on-your-own program. Among these is a sophomore, Janet Jackson, who did a full year's work in one semester, achieving three professional (highest) ratings for garments and one satisfactory. Kathy Egnatz, also a sophomore, achieved a full year's credit in one semester with two professional ratings and two satisfactory ratings.

Other types of presentations were given today including such projects as a slide presentation on St. Teresa's innovative program done by Kathy Rieken '72; a program of contemporary song with guitar accompaniment, produced by Virginia Boyer '73 for her Contemporary Song class; a discussion on East St. Louis Central City South and Edgemoor by the Urban Problems class; a dance presentation by the dance class.

Booths were set up in the gym to include such items as an Aztec art display arranged by Laurie Meek and Martha Brock '74; a Shakespeare theater model created by Theresa Bielicki '71; presentations on drugs by the speech class; a display

**STARTS HUNGER WALKERS.** Mary Beverley of Lombard, Ill., pins a name tag on Chancellor John S. Rendleman, center, at the Southern Illinois University-Southwestern campus prior to the start of a 26-mile hunger walk. John Burke, associate director of Community Hunger Appeal of Church World Service in Illinois, looks on.

by the Latin classes, an explanation-exhibition of the production of the school's mimeographed newspaper by the Journalism class; a set of cartoons by Ann Glowacki '71 and her sister Marie '73 for the development reading program. Prom Day for the 145 graduates, with an oriental theme in effect at Augustine's under the direction of seniors, Natad Woodson and Virginia Terry, will be tomorrow. The dance will be complete with incense burners, ming trees and exotic lighting. Music will be by Pye and the Ingredients.

## 400 Youths Earn \$1,000 In Trek Against Hunger

More than 400 Madison County youths walked 26 miles this week in a fund-raising effort to feed the hungry families in the world.

The money will be used by the Young World Development Committee to help a child care center on an Arizona Navajo Indian reservation and for a nutrition education program conducted by Church World Service in Brazil.

The youths, many of them high school and junior high school students, started the trek from the Southern Illinois University-Southwestern campus, with a send-off by Chancellor John S. Rendleman, walked along Route 159 to Collinsville and returned to the campus via Route 143.

They cared for their feet at 13 checkpoints along the way, removing their shoes and using plenty of foot powder, but many returned with blisters.

**Earn Academic Honors** They were among hundreds of thousands of young Americans who joined in the effort Sunday and added up pledges of \$5.1 million from the sponsoring classwork during the fall semester at the University of Missouri-Columbia.

### CAHOKIA MOUNDS PARK TOPIC OF CUB PACK 28

Cub Pack 28, sponsored by the Parkway PTA, held its final meeting of the year Monday night, hearing a program on Cahokia Mounds State Park. Those present joined in reciting the pledge of allegiance and Lord's prayer.

Cubmaster Ed Monahan presented awards: wolf badges, Arthur Grissman, Billy Gaddo, Jeff Painter, Tim Britton, Jim Bradley, Bob Bredie and Robert Kirgan; bear badge, Mike Painter, Bruce Monahan and Darin Dawson; Ross Farmline, dinner bars; Wayne Wilkins, three silver arrows; and Mike Painter, Webelos ribbon.

Craig Astorian and Richard Janko were welcomed into the pack and were presented bobcat pins. Boy Scout Frank Kapis received his den chief badge.

Institutional Representative Thomas Venne distributed certification cards to den mothers and committee members. He also presented the pack charter from the PTA and a certificate for 10% participation in Boy's Life magazine.

Mrs. Carolyn Thornburg, den mother of Den One, represented all den mothers and assistants as she awarded a scout knife to the cubmaster in appreciation of his services.

Announcement was made that the pack will have a booth at the scout-a-rama, and committee members are to meet May 21 at 7:30 p.m. to decorate the booth. The next pack meeting will be Sept. 13 at the school. Cub scouts and den mothers having birthdays in May were recognized as all joined in singing.

Bill Isenminger of the Cahokia Mounds Park staff spoke on various mound attractions at the site, describing many of the articles uncovered during excavations carried on each summer at the park. He also showed slides and displayed dishes, water jugs, pipes

and several stone and bone articles, dating back about 1,000 years. Isenminger stressed the importance of labeling "finds" and keeping articles in the area in which they are found, as well as returning the excavations to their original state.

The cub scouts sang their own rendition of "Mother" and presented Mothers Day gifts they had made during den meetings. Refreshments were served.

**CRADLE SHOWER**  
Mrs. Debbie Byrne was guest of honor at a pink and blue shower given Tuesday evening at St. John's United Church of Christ by Mrs. Pam Fisher, Mrs. Pat Cockrill, Miss Donna Isom, Miss Judy Kell and Mrs. Muriel Byrne, the honoree's mother-in-law.

The gift table was decorated in pink and blue, and the same colors were used for the serving table decorations. Guests were seated at five round tables, each centered with a stuffed toy animal. The serving table held a musical carousel, and favors included small pink and blue

rattles. A lunch and dessert were served.

Games were played, prizes going to Mesdames Rose Revelle, Diana Gonterman, Betty Carbaugh, Mildred Tessary, Betty Barnhart and Muriel Byrne.

Guests included the mother of the honoree, Mrs. John Farance, and Mesdames Alpha Bauer, Sarah Spiller, Doris Shanar, Betty Hermes, Carol Ritchie, Margaret Butler, Kathy Scholebo, Paul Gonterman and daughter, Carrie Ann.

Misses Pat Gooch, Lee Ann Galbraith, Debbie Jones and Vickie Campbell. Mrs. Rose Revelle and daughter, Paula, of Glen Carbon, Miss Helen Spudich and Pete Spudich, great-aunt and great-uncle, all of New Douglas, Ill., and Mr. and Mrs. Boyd Courtney of Staunton, Ill.

tioned at Fort Sill, Okla., with the U.S. Army.

### FIRST COMMUNION

Mr. and Mrs. Rex Hogan, 2140 Clark Ave., were in Farmington, Mo., Sunday for the first communion of their grandson, Timothy Lennon, son of Mr. and Mrs. Pat Lennon. The couple's other son, Shawn, also was honored, on his Confirmation.

The services at St. Joseph's Catholic Church were followed by a buffet dinner at the Lennon home.

Guests included the Rev. John Johnson, the Rev. Jerome Buchetti, Mrs. Sophie Spudich, the children's great-grandmother, Miss Helen Spudich and Pete Spudich, great-aunt and great-uncle, all of New Douglas, Ill., and Mr. and Mrs. Boyd Courtney of Staunton, Ill.

### Attempted Burglary

Douglas Thomason, 2010 Grand Ave., reported at 9:50 p.m. Tuesday that someone attempted to enter the rear and side windows of his home during the evening. Nothing was missing or disturbed.

Scouts and installation of PTA officers for next year. Reports will be given by convention delegates, and a retiring teacher will be honored.

The PTA will sponsor a rummage sale May 15 from 10 a.m. to 4 p.m. on the school parking lot, weather permitting. On Monday, May 17, from 7 to 9 p.m. there will be a skating party at the Stardust rink for third through sixth grade students and their families.

The annual school picnic will be May 19 at Wilson Park. Those present included Mr. and Mrs. Tester, Mrs. Regina Conway, principal, Donald Kopp and Mesdames Bernice Skinner, Carolyn Moske, Virginia Apperson, Marian Sipole, Jo Ann Huelskoetter and Alice Selph.

## Coolidge Band to Give Annual Concert Tonight

The 82-member Coolidge Concert Band will present its annual spring concert tonight at 8 o'clock in the Coolidge Junior High School gymnasium.

Under the direction of Robert D. Todoroff, the band will feature three selections which earned a first superior award in Class AA band competition at the state finals in Centralia, Ill. earlier this month.

Included on the program will

be opening remarks by Elizabeth Adams, band president and the following selections:

"Cortege and Fanfare," by Rimsky-Korsakoff; "La-Van," Paso-Doble, by Canova; "Paint Your Wagon," a Broadway musical score by Learner & Lowe; "Chorus and Fugue," by Mendelssohn; "A Bacharach Medley," by Cacavas; "Dragons and Jet Planes," a medley from the Peter, Paul and Mary

## Illinois Power Buys Land for Lake, Plant

Illinois Power Co. has purchased or optioned a total of 4,227 acres of land for its proposed area of Farmer planned lake and power plant in DeWitt County, the company announced Tuesday.

Included in the acreage is a 420-acre plot embracing the site of the proposed power plant, and a 22-acre parcel on which the dam will be constructed downstream from confluence of Salt Creek and the north fork of Salt Creek east of Clinton.

Plans call for acquisition of approximately 17,000 acres for the project. Today's figure is about 26% of that amount.

Wendell J. Kelley, president of Illinois Power Co., announced plans last Oct. 26, before the company had acquired any land, or had even begun surveys and appraisals. He told of the project at a meeting of DeWitt County farm, business, and civic leaders at Clinton.

Actual negotiations for options on the land began about six weeks later. A period of three years was set for land acquisition, with the first generating unit of the power complex scheduled for operation about 1980.

Impoundment of the two branches of the stream will produce a lake of about 5,000 surface acres, with a shoreline of approximately 130 miles. The two basins of the lake will extend 14 miles along the course of Salt Creek and 7 miles along the north branch, in a northeasterly direction from Clinton. One arm of the lake will approach the area of Farmer City.

The plant itself will be located upstream from the dam, drawing cooling water from one branch of the lake and discharging the water into the other to be circulated a distance of several miles to return it back to normal temperature.

A guaranteed downstream flow of at least five cubic feet of water per second will be maintained at all times below the dam. The lake level will be at an elevation of 690 feet above sea level. Depth of the lake will range up to 40 feet at points. Average depth will be 15 feet.

Whether the power plant will use fossil or nuclear fuel has not been decided, nor have the size of the generating units been determined. Engineers estimate that the 25 billion-gallon impoundment of water will support a total plant of about 4 million kilowatts capacity. The lake will be maintained by a watershed of approximately 300 square miles.

The Clinton power complex will be near the center of the 15,000 square-mile area served by Illinois Power Company.

The company presently has major generating stations near Danville, at Hennepin, Havana, Wood River and Baldwin.

### Boy on Bicycle Hit By Auto, Injured

Brian Withers, 7, son of Mrs. Helen Withers, 1717 Spring Ave., was injured when he drove his bicycle off the lot at St. Elizabeth's School onto Johnson Road and was struck by a car driven by Walter H. Cant, 2583 Pontoon Road, at 4:45 p.m. Monday.

He was knocked off the bicycle and apparently struck the back of his head on a manhole cover. He was admitted to St. Elizabeth Hospital with a two-inch laceration to the back of the head. X-rays were taken of the skull and right elbow.

### State Library Uses Microfilm Catalog

Secretary of State and State Librarian John W. Lewis has announced the initiation of project IMAC. The Illinois Microfilm Automated Catalog, developed by the State Library, has been deposited in the 17 cooperative public library systems headquarters and in the three research and reference libraries (Chicago Public Library and the libraries of the University of Illinois and Southern Illinois University).

This microfilm automated catalog on 50 16mm cartridges contains more than one-million

cards and represents more than 240,000 titles available in the Illinois State Library collection. The Illinois State Library, as one of the research and reference libraries in Illinois, has an obligation and responsibility to provide backup service for all public libraries in the state. This service is provided through interlibrary loan request from local libraries to system headquarters and to the State Library.

By depositing its catalog on microfilm with 17 cooperative public library systems, it is

"Reflections", Young Life's annual tribute to the graduating seniors of Granite City High School, will be presented May 28 at First Assembly of God Church at 7:30 p.m. The entire production is under the direction of Dave Williams, Young Life president.

Six skits highlighting the events of the past year will be presented. They include "The Real Room 222", "The Opera", "Talent Day", "The Counselor", "Pep Rally", "The School Bus" and "The School Bus".

Young Life members appearing in the skits are Jan Shankel, Deby Stein, Karen Muehl, Diane McIlroy, Ron Simpson, James Greenwald, Donnie Harris, Perry Dillard, Colleen Jeffries, Pam Hollis, Renee Besta, Tom Zarlingo, Paula Patton, Ned Tapp, Kathy Gusewell, Donna Sanderson, Vera Kilborne, Kathy Coyle, Cecilia Weiss, Debbie Fickria, Karen Robertson, and Vickie Mercer. Perry Dillard is producing the skits.

Chairman of the entertainment and music committee is Renee Besta. John Harizal is in charge of finance, and the programming is being planned by Jan Shankel. Leslie Wright is handling decorations and publicity.

### Summer Program at McKendree Announced

Dr. Ralph Marty, director of McKendree College's summer school, has announced this year's program. Classes will meet from June 14 through July 30.

Dr. Marty said: "We are offering many fine courses this summer from Labor Problems to a Survey of Art History to workshops vital to stay current in the teaching profession. Most disciplines are represented."

"I should point out that credit is based on the unit system. This is in anticipation of McKendree converting from the 4-1-4 program next fall. Under this modern 4-1-4 system, a unit is equivalent to a four-semester hour course."

Summer school registration is June 14 beginning at 9 a.m. in Voigt Science Hall. No registration or course changes will be permitted after noon June 18. The maximum load is two units including workshops. The residence hall will open June 13 and room and board are offered on the college campus.

For further details, prospective students may write Summer School Schedule, McKendree College, Lebanon, Ill. 62254.

### Elected President

Craig Maer, son of Dr. and Mrs. Stanley F. Maer, 1339 Twenty-seventh St., has been elected president of Taylor Hall Dormitory for men at Eastern Illinois University, Charleston. Maer was a 1969 graduate of Granite City High School.

## 'Trash of Thirties' Scheduled at Campus

Meridian Ballroom at Southern Illinois University-Southwestern will be transformed into a movie and vaudeville palace of the 1930's at 8 p.m. Friday for a presentation, "The Trash of the Thirties."

The acting troupe, "Trash of the Thirties," has performed throughout the U. S. and Canada, satirizing the vaudeville shows of the 30's. The master of ceremonies will be RaMonde LaRue. Simon Touche and his Syncopeated Fools will furnish the music.

Other acts in the show include, Miss Delores Del Vino, the Spanish songbird supreme; Mr. Swami Mindman, master of the mysterious; from New Orleans, The Juggling Jubilee Sisters, Cherries and Marie; and, Mr. and Mrs. Roller Skates.

There will be audience participation throughout the show. A re-creation of the "Dish-O-Rama," the "Tumbling Revolving Raffle Barrel of Fate," and a simulated marathon dance contest, will require the help of the audience.

A celebration of New Year's Eve, 1934-style, complete with refreshments, is also planned. Tickets can be purchased at the University Center for \$1 in advance, and \$1.25 at the door. The "Trash of the Thirties" show is being sponsored by the University Center Board.

### Roca Club to Hold Fund Raising Project

Danny Noth, president of Roca Young Mens Club, presided at a regular meeting at which new members were guests in a get-acquainted affair held this week in the home of Dennis Ross, 11 Terrace Lane.

Discussions were held on a fund-raising project to take place June 1 with Jud Moore named chairman, and an "after finals" celebration on June 5.

Members also will participate in a club softball game at 1 p.m. Saturday.

### McKendree Graduates 112 Students May 29

Dean Owen announced today that 112 students are scheduled to graduate at McKendree College at 2 p.m. May 29 on the college grounds. The guest speaker will be Bishop Lance Webb of the United Methodist Church. He resides in Springfield.

For the first time baccalaureate will be held with commencement in one ceremony.

### Winter Wins Roettger Award at U. of I.

Douglas Winter, son of Mr. and Mrs. William E. Winter, 19 Miami Court, is one of the winners of five awards for students in the College of Communications of the University of Illinois announced at a Kappa Tau Alpha scholastic honor banquet.

He is a co-winner of the 1971 Harold Roettger memorial award with Dale Larson of Rockford. The award goes annually to the college's graduating senior with the highest scholastic average. Both have averages of 4.90 on a 5.0 scale.

The two are Bronze Tablet graduates. They are members of Kappa Tau Alpha, Phi Eta Sigma and Phi Kappa Phi scholastic honoraries. They received \$100 with the award.

### Fraternity Initiative

Charles Edward Juneau, 2656 Delmar Ave., is among 22 undergraduate students to be initiated into Chi Epsilon, national civil engineering honor fraternity at the University of Missouri-Rolla.

## English Prof. Says: Bible as Literature Is Delightful Reading

"In reading the Bible proudly we miss some of its delight as a literary text," says Prof. John Ades, chairman of the English faculty at Southern Illinois University-Southwestern and teacher of a course titled "The Bible as Literature."

"The Old Testament is a literary text," Ades says, "full of short stories, epic and lyric poetry, wisdom literature and sagas and folk tales of the Hebrews. With the New Testament, it forms a more or less continuous story, from the creation to the apocalypse. The play on words and the puns are part of the literary excellence of the work of the Bible."

"It abounds in humor," the English professor says. "For example, when Joseph is in prison in Egypt he gets out because he can interpret Pharaoh's dream about the seven years of plenty and seven of famine. Pharaoh is delighted with Joseph and when the latter tells the Egyptian king that he needs a good manager, Pharaoh agrees. Joseph used his wits, you see, not only to get out of jail but to get himself a job."

convictions. I declare mine only when directly asked.

"The unexamined conviction isn't worth holding," Ades says. "It is of value to the student to study his convictions. Doing so tends to bring together rather than to fracture those with different tenets. In our class we do not mock even the most harebrained beliefs. Our business is neither to confirm nor challenge a student's religious convictions, but to examine a text before us."

Referring to those who cannot accept the newer translations of the Bible, the English professor says the King James translators did not write the Bible. "All versions need to be

JOHN ADES

**Literary Values**

Both the Old Testament and the New Testament are used in the Bible literature classes but Ades considers the old of more literary value. "There isn't much humor in the New Testament—no Jonah and the whale story," he smiled. "This may be one of its liabilities and why it is not so easy to teach."

"The New Testament is set down in recent and short span so its literary forms are less literary than the Old Testament," Ades explained. "The New Testament is made up mostly of epistles. This doesn't mean it isn't literary. It is. But the principal architect of the New Testament is Paul—who may never have ever seen Jesus in the flesh."

The Bible as literature was first offered at SIU-SW in the fall of 1967. Its success was immediate. According to Ades, few other general studies courses in English have engendered as much interest and as many sections—there are three, one of which is listed as a philosophy course.

Ades attributes its popularity to the fact that today's students are baffled and are interested in searching the Scriptures for answers.

"Religious studies constitute a legitimate part of a liberal arts education and should be taught at all universities," Ades contends. "After all, the rise of the university itself was fostered by the Church in the Middle Ages."

**Heated Discussions**

"There are problems, of course," he admits. "Often we have heated discussions. Sometimes it is difficult for a teacher of Bible not to show his own

used in reshaping translations," script 1,000 years older than he says. "The Dead Sea Scrolls discovered in 1957, for example, are used in later interpretations of the scriptures, because they give us some manu-

script 1,000 years older than others previously known."

**Hazards in Reading**

One of the hazards in close reading is interpretation of a specific word, Ades points out.

"Virgin, for example, in Isaiah the Hebrew word meaning 'young girl of marriageable age' was used. The King James translators translated it as virgin, but the Hebrews have an-

other word for virgin which they did not use.

"Interest in classes in religious studies supports my opinion that today's young people are intensely interested in religion—never more so than now," Ades says.

## On-Job, College Enrollment of Veterans Climbs

There now are more than one million veterans job-training or enrolled in schools and colleges under the current GI Bill.

Administrator of Veterans Affairs Donald E. Johnson said that 1,064,000 men and women are in training under the GI Bill. He pointed out this is an increase of 30% over last year, 70% over the level two years ago, and 240% over 1966.

By the end of 1972, Johnson said the Veterans Administration expects the GI Bill monthly utilization to reach 1.8 million. Of the 1,064,000 men and women enrolled in college level studies.

The current GI Bill is not quite five years old, Johnson said, and pointed out that more than 2.4 million veterans already have trained under it, exceeding the 2.3 million high reached during the 14 years of the Korean Conflict GI Bill.

The current GI Bill has provided training for nearly 20,000 veterans enrolled in police and fire department on-job training programs throughout the country.

Separations from military service have been running about 90,000 a month, and, since last fall, VA has been receiving about 75,000 applications monthly for GI Bill training. Johnson urged eligible veterans and servicemen interested in schooling or job-training to contact their nearest VA office, or their local veterans service organization representative.

## 121 Art Items to be Exhibited at Show

The Madison County Town and Country Art Show will exhibit approximately 121 pieces of art work at the YMCA in Granite City Friday, Saturday and Sunday, submitted by local and county artists.

The show is sponsored by the local Town and Country Art Committee and the Cooperative Extension Service of the University of Illinois arranged for the amateur artist.

Oil paintings will dominate the show but there are to be several hand-made drawings as well as ceramic pottery and ceramics.

Hours of the show are set for 7:30 p.m. to 9 p.m. on Friday; 10 a.m. to 5 p.m. Saturday and 1 p.m. to 4 p.m. Sunday and is open to the public admission free.

## Radio Control Club Plans Flying Contest

The East Side Radio Control Club will hold its Spring Craftsmanship and Flying Contest at 1 p.m. Sunday, May 23.

The contest site is adjacent to SIU-SW soccer field.

Ample parking is available at the soccer field. Visitors are advised to bring their own refreshments and seating facilities. In addition to contest activities, aerobatic demonstrations will be given by club members.

## Youths Damage Phone

Four youths were spotted tampering with a telephone outside of Peck's Confectionery, 2409 Illinois Ave., it was reported at 8:45 p.m. Monday. The receiver was torn off.

## Masquers to Perform 'Mame' at Rink June 19

When the curtain rises on the final production of this season for Masquers, Inc., a cast of 35 will perform the musical version of one of America's best-loved tales—Patrick Dennis' story accounting of the antics of his irrepressible Aunt Mame.

A best-selling novel, the story became one of Broadway's biggest hits, a box office smash movie, and, most recently, a delightful musical, "Mame," by Jerome Roberts and Robert E. Lee, with music and lyrics by Jerry "Hello Dolly!" Herman.

The local performance will take place June 19.

As the overture ends, June 10 and 11, however, the curtain will literally rise on the stage of one of this area's few remaining opera houses—the BAC Miners Theatre in Collinsville.

In the title role of Mame Bennis Burnside will be Rogers Mefford. Her 10-year-old nephew Patrick will be played by Gregory Tritley. Bill Smoltz will continue in the role as Patrick grows up.

The "First Lady of the American Theatre," Vera Charles, will be performed by Edith Anderson. Gail Hamilton will be seen as Agnes Gooch, Patrick's "nanny," and Jay Frey will play Mame's Japanese houseboy, Ito.

# June 22 Levee Vote is Valid; 2 Boards Likely

By HARRY BARNES  
Press-Record Staff Writer

A runoff election to name five members of a new board of trustees of the East Side Levee and Sanitary District will be held June 22 under a ruling entered in circuit court at Belleville Monday afternoon.

Five Democratic and five Republican candidates nominated in special primaries held in the Madison and St. Clair county sectors of the levee district on May 4 will compete for the five trustee-ships.

The election of a second board of trustees is expected to pose a knotty legal problem. The present board members now occupy the trustee posts under orders of the Appellate Court and Illinois Supreme Court which stayed their removal from office on misconduct charges pending outcome of an appeal.

Such an appeal could be carried through the Appellate and Supreme Courts in lengthy proceedings that might well outlast the remainder of the present terms of the incumbent board members. A regularly scheduled election of levee district trustees is due in primary balloting next spring and the general 1972 election in November.

Terms of the present board members expire on the first Monday in December, 1972.

Meanwhile, the incumbent levee board members are expected to employ every legal means to remain in office since the higher state courts have authorized their continued service during an appeal of the misconduct conviction.

Associate Circuit Judge Howard Lee White of Jersey County who presided over injunction proceedings filed in behalf of the incumbent levee board members in an effort to halt the elections, ruled Monday afternoon that the election call by Governor Richard B. Ogilvie is valid and that the court has no authority to interfere with the election. He dismissed the complaint.

Following initial hearings on the injunction plea in late April, Judge White upheld validity of the May 4 primary election, but reserved his decision on the validity of the June 22 runoff election.

The present trustees—Morris Campbell, George Duff and Lawrence Tolar of East St. Louis, and William "Mike" Ebersoldt of Venice—were convicted last fall on charges of misconduct in office. The convictions grew out of \$169,000 in contract awards for riverfront tunnel repairs, allegedly without competitive bidding.

Ordered Out of Office

The four trustees were sentenced to three years probation, fined \$1,250 each and ordered to leave the district.

**Collide in Madison**

The pickup truck of Rufus F. Stermon, Edwardsville, and the small bus of Thomas Henry Brockmeier, Kirkwood, Mo., collided on Broadway in Venice Monday. Brockmeier told police a malfunction in his vehicle forced the bus to swerve suddenly from the inside to the outside westbound lane where the collision occurred.

## Chicago May Be a 'Toddling Town' But Belleville Is a Parading City

By ROBERT L. EMIG  
Region 8 Tourism Bureau  
of Southeastern Illinois  
Commenting on Belleville, Ill., Arthur Cole, in his book,

"Era of the Civil War," wrote: "Belleville is a town where the populace gathers in mass meetings at the slightest provocation."

More than 100 years later, Cole's description of the city, eight miles east of St. Louis, still holds true. His wording might simply read: "Belleville is a parade town."

Vic Geolot, Belleville city clerk, whose office handles the parade resolutions, says the city averages ten major parades a year.

This list includes the 120-year-old public school's parade, the parochial schools' parade, the Anad Shrine parade, Me-

morial and Labor Day parades, the Clean-Up, Fix-Up parade, a high school parade held the day before Thanksgiving, and Santa Claus welcoming parade.

"Everybody loves a parade" must have been coined for the streets each year to witness the floats, very important people and the pretty girls. Many bands, plus the nationally recognized Black Knights Drum and Bugle Corps, fill the air with music.

Major Charles Nichols offers: "Belleville has traditionally been a parade town. There's no reason for us changing if the people like it that way." Robert Gentsch, a historian of Belleville, explains why the people "like it that way." Gentsch, whose master thesis for Washington University in St. Louis dealt with the history of Belleville up until 1850, says the German background of the French-named city made Belleville a gold mine for parades.

"The early settlers of Belleville were highly educated Germans, who came from their homelands in the 1830s because of political intolerance," Gentsch relates. "To them, a parade was an expression of political freedom."

The preachers didn't like this kind of expression during church. In 1863, the City Council approved a request that no parades be held on Sundays because the Ministerial Alliance didn't want the religious services interrupted.

However, on few other occasions have there been restrictions placed on parades in Belleville. If anything, the officials have been lenient. "It's not unusual for Belleville to have a parade for any insignificant reason. Until 1900 for instance, the city held an annual Flower Parade.

A Baby Parade also was an annual affair. The city's recreation department still has a parade on the afternoon that all members go to a St. Louis Cardinal baseball game.

Special occasions are always marked by a parade in Belleville. When the city's public schools made it to the state tournament basketball finals in 1966 and 1968, parades welcomed their return trips.

Arthur Cole, how right you were. It is a town where the populace gathers at the slightest provocation.

The 58'ers 4-H Club opened its May meeting by reciting the Pledge of Allegiance and the 4-H Pledge. Joan Hollenbeck and Christy Lombardi led the girls.

Nancy Hamilton, secretary, called roll with each member answering with her favorite 4-H project. The minutes of the last meeting were read and the treasurer's report was given.

The leaders, Mrs. Harriet Bunselmyer and Mrs. Eva Mueller, announced a special Foods Class today at St. John's United Church of Christ. The event will begin at 7:30 p.m., and the girls will compare their products and do the judging.

Categories will be according to the class in which the individual is enrolled: "You Learn To Bake", entries are to bring three oatmeal cookies for judging; "Let's Start Cooking", two pancakes; "Adventures In Cooking", a three-inch square of unroasted foundation cake; "It's Fun To Cook", one half loaf of banana bread; "Milk and Eggs", three unfilled cream puff shells; "Meat In Your Meals", chicken, one leg and one piece white meat, and a complete written menu; "Pastry In Your Meals", one fruit turnover, with menu including "International Foods", three bars of Lebkuchen, three inches square.

An electrical school, emphasizing grooming equipment, was announced for 7 p.m. May 20, at the Farm Bureau Auditorium, and the girls will be held for Mrs. Mary Knecht who is retiring.

Rhodes Wadlow gave a talk, "Care of Your Hands"; and demonstrations were given by Helen Zelenka, "Putting in a Hem", Mary Mueller, "Finishing the Neckline Around a Zipper", Patty Bade, "Ham Croquettes", and Peggy Smolich, "Banana Bread."

Recreation was led by Patty Brooker, Janice Mueller and Peggy Sanders. Karla Hileman, Mary Beth Coffey and Laura Howell served refreshments. The next meeting will be June 3, when plans for "Dairy Month" will be announced.

The leaders reported 4-H camp at Jacksonville, will be June 28-July 2 for the 1972 year and July 12-July 16, for the 1973 year olds. Applications will be distributed at the June meeting.

Other girls attending were Janet Bunselmyer, Janice Hamilton, Nancy Hamilton, Kim Hunt, Joann Kamibitch, Martha Mueller, Brenda Wadlow, Susan Dotley, Jeanne Jackson, Elaine Kayich, Donna Lindsay and Nancy Weil.

### Travel in Europe Planned for Students

High school and college students interested in the fifth annual International Horizons tour to Europe will meet at 2 p.m. Monday, at the home of Mrs. Cora Dreyer, dean of students of Festus High School, 609 North Mill St., Festus, Mo., to receive final instructions for travel and special materials providing background on the countries to be visited.

The tour will depart from St. Louis June 30 to visit Holland, Belgium, Germany, Switzerland, Italy, Austria, France and England, returning July 20. The inclusive cost of the tour, which is sponsored by the St. Louis Council on World Affairs Inc., is \$793, and applicants may still be accepted; was announced by Dr. Henry T. Boss, chairman of the travel program.

Inquiries may be directed to the St. Louis Council on World Affairs Inc., 212 North Kingshighway, St. Louis, Mo. 63108, or by calling the office, 361-7333.

### Man Injured Seriously In Three-Auto Accident

Jimmy L. Pace, 21, of 4336 Warnock Ave., was seriously injured when his auto struck a car driven by Joni K. Miller, 3009 Sunbury Ave., and the parked car of Walter Bokmar, 2117 Pontoon Road, before turning over on its side on the Bokmar lawn at 8:30 p.m. Monday. Pace was taken by ambulance to St. Elizabeth Hospital and was transferred to Firmin Desloge Hospital in St. Louis. His car and the Bokmar auto were extensively damaged. Pace was headed west on Pontoon and attempted to pass the Miller auto, police said.

### State Park Camping Fees Unchanged from Last Year

The 1971 schedule of camping fees at Illinois state parks is unchanged from last year, according to Ronald B. Johnson, superintendent of the division of parks and memorials. The Illinois Department of Conservation maintains camping sites at 53 of its 79 parks and conservation areas, Johnson said. The sites are designated A, B or C class, according to the facilities they offer. A fee of \$3 per night will be charged at the department's four Class A campgrounds — Illinois Beach State Park, near Zion; Blackhawk State Park, Rock Island; Pere Marquette, near Grafton; Lincoln's New Salem, near Petersburg. Class

A sites have flush toilets, showers and sanitary disposal stations, Johnson explained. He said a daily fee of \$2 will be charged at Class B sites, which are those offering only access for vehicles. Most of the department's camping sites are in this category.

**\$1 Nightly Fee**  
At Class C campgrounds, which have neither the facilities nor the access roads available at the other areas, \$1 per night will be charged, Johnson said.

He noted that most of the sites in all three classes have outdoor toilets, picnic tables, outdoor stoves and drinking water, but none have laundry facilities or housekeeping cabins.

Scout troops and other organized youth groups camping in state parks or conservation areas will be charged 10 cents per person, with a minimum daily fee of \$1, he said. Johnson said tent campers and those with camping units on wheels may use Class A and B sites, but only tent camping is permitted in Class C, or "primitive," areas. Campers must obtain a permit upon arrival at the park, or on the following morning if arrival is late at night. Permits can be obtained from the park ranger or night watchman. Family camping is limited to one week and group camping to two weeks, but extension up to two weeks can be arranged by the park ranger if facilities permit.

Check-out time is 3 p.m. Campers should bring their own firewood, Johnson said.

### Flora Youth Wins Builders Scholarship

The Southern Illinois Builders Association Industry Advancement Foundation announced that John E. Riley of Flora is the winner of its \$6,000 scholarship award. He is the son of Mr. and Mrs. Ronald B. Riley of Flora and is a graduating senior from Flora Township High School, ranked fifth in a class of 138 students, and is a member of the National Honor Society. He plans to attend the University of Illinois and major in civil engineering. John was selected from applicants from a 22-county area covered by the foundation by a panel of five judges.

### Two Vadalabene Bills Approved in Senate

Vadalabene's bills to help relieve the downstate shortage of doctors and to assure that residents of Junior College Districts receive detailed financial information about the operation of such colleges passed the Illinois Senate Monday.

Vadalabene said that one bill would allow the deans of medical schools in Illinois to admit certain students to advanced standing if they either completed graduate level courses at the undergraduate level or had completed equivalent courses in foreign countries.

At least 7,000 additional physicians are presently needed in this state," the Edwardsville Democrat said. "Right now the Medical Practice Act does not permit the granting of advanced standing or equivalent work, even though such accreditation would in no way decrease the amount of education or training required, of students."

Senator Vadalabene said the amount of time that a student would now spend in school could be decreased significantly, in many cases as much as 12 months, thus putting graduates into the field that much earlier. This bill has the approval of the Illinois State Medical Society.

The second bill requires public junior colleges to publish a financial statement annually in at least one newspaper published within the district. The law would be similar to one now governing public schools.

### 1,000 Scouts Expected On Lewis-Clark Hike

More than 1,000 Boy and Girl Scouts, Brownies, Cub Scouts and Cadet and Explorer groups are expected to take part Saturday in the third annual "Lewis and Clark Pilgrimage."

The event marks the 167th anniversary of the Lewis and Clark expedition when the pioneer explorers assembled, trained and supplied their men for the trek to the source of the Missouri River and to locate a passage to the Pacific Ocean. All scouting groups in the Cahokia Mound Council area are invited to participate in the pilgrimage hike and program. Advance registration is not required, according to Floyd Jordan, trail coordinator, who said leaders may register their troops between 12:30 and 1:30 p.m. Saturday.

Registration will be held at the ship-to-shore radio station, located on the east bank of the Chain of Rocks Canal and north of the 1-270 Chain of Rocks canal bridge. Site markers will be placed along Route 3 and in the vicinity of the assembly area, Jordan explained.

**Adult Leaders Required**  
One adult leader for every ten girls or boys is required, the trail coordinator said, noting also that at the time of registration the scout leaders will receive a souvenir streamer for the unit's flag pole.

An 8-color embroidered emblem will be available to those taking part in the hike, with a special 9-color emblem for groups repeating the pilgrimage for a second time, Jordan said. Both emblems will cost \$1 each. Scouts bearing the U. S. Flag will march at the head of the youthful hikers along the pilgrimage route, a distance of approximately 3 miles. At the Lewis and Clark State Memorial Park, a short program will mark the expedition's anniversary, Jordan said.

A brief resume relating to the pioneer exploration will be presented by William R. Monicle, Cahokia Mound Council executive, and the hikers also will be entertained with traditional dances performed by Explorer Post Six Indian dancers at the park.

Scouts will start on the return hike about 3:30 p.m. Saturday, arriving an hour later at the

### The one feature we can't build into a Chevrolet is a safer driver.

Of all the features we build into every 1971 Chevrolet, the most important ones are those we hope you'll never need.

**Safety features.**  
We hope you'll never need the energy absorbing instrument panel with recessed knobs and padded sun visors.

Here's hoping you'll never need our energy absorbing steering column. Our thick laminate windshield. Folding seat back latches. And strong steel guard beams built into the door.

We hope you'll never need your seat and shoulder belts, either. We just hope you'll keep them buckled.

Because, you see, a safe driver worries not only about others' lives. He worries about his own life as well. And survey after survey proves that belts are still your first line of defense against getting hurt.

So put 'em on. And keep 'em on. Whenever you're in gear.

It's certainly not the newest safety suggestion. But it's still one you can live with.

**FASCINATED.** David Oburn, 11, watches in fascination as a jar full of tent worms, which he gathered, devours leaves which he dropped into the jar. The Oburn family, 3000 Dale Ave., has had to cut away considerable foliage in their back yard to destroy the worms.

## Tent Worms A Threat To Foliage In Quad-Cities

One of the least appreciated signs of summer's onset is the appearance of bugs and worms and things that go munch in the night.

The Elmer Oburn family, 300 Dale Ave., has noticed the problem this year as a vast amount of foliage in their back yard began to disappear—rapidly. When they investigated, they found the culprits, small striped worms living in silk-like tents on their Chinese Beauty trees.

Thick nests of the worms have been found in several areas of the Quad-Cities and also are causing a major problem in St. Louis. If left alone they can defoliate a large tree as effectively, and as fast, as the army defoliant now being used in Vietnam.

### Devour Leaves

David Oburn, 11, a sixth grader at Wilson School, has saved some of the worms for his class to study. He said that about eight worms in the jar can eat a complete leaf in about five minutes. Multiply that by thousands of worms and hundreds of hours and the problem becomes serious.

Rudolph H. Zurowskie III, horticultural specialist of the University of Missouri Extension Service, explained that there are several ways to dispose of the worms if they are noticed in the trees. The fastest, easiest and most effective is to cut off the infested limbs and burn them, but Illinois law prohibits such open burning, so other measures may be taken. On small trees the tents can be gathered in a piece of cloth and crushed and nests in larger trees should be sprayed with

an insecticide that kills on contact.

**Recommends Sprays**  
Zurowskie recommended malathion or diazin which will kill the worms and not harm the other wildlife in the area.

Enough pressure should be used to penetrate the web and the nest should be sprayed until completely soaked.

About a week after spraying, the trees should be checked to be certain that the worms have not begun to rebuild the nests.

The worms, about two and one-half to three inches long, become a worsening problem every year over seven or eight-year cycles until natural predators decrease their numbers, according to Zurowskie.

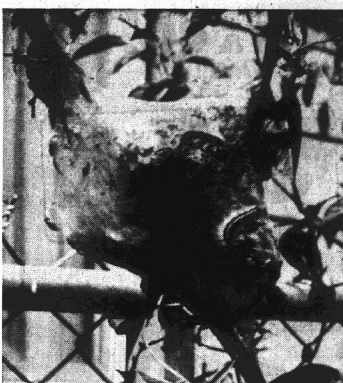

### Church Garage, Truck, Tractor Damaged

A garage in the back of the Suburban Baptist Church, 2500 St. Clair Ave., and some equipment were damaged by vandals. It was reported at 7:30 a.m. Tuesday.

Some composition boards were broken near the roof. Lime was poured over a tractor, 10 gallons of gasoline was poured on the ground near the garage and the windshield of a truck parked at a construction site at the rear of the church was broken. The truck is owned by John Stacy, 1830 Edison Ave.

### Tires, Wheels Stolen

Virginia Arney, 719 Twenty-eighth Place, reported at 6 p.m. Monday that during the last week of April someone stole four tires and wheels from her 1963 station wagon while it was parked at the side of the house.

**A SIGN OF TROUBLE.** Silken tents on trees such as this one promise serious trouble for the trees if not dealt with promptly. The nests contain hundreds of tent worms, each of which can devour an amazing number of leaves in a single day.

## Three Explorers To Attend First National Conclave

Three young Explorers are preparing to leave for Washington, D. C., June 2 to represent this area at the first National Explorer President's Congress.

President Richard Nixon is honorary chairman of the five-day congress to be held June 2-6 at the Sheraton Park Hotel in Washington.

For the first time, these young men will join 2,500 other Explorers to have a voice in the nationwide Exploring program by participating in elections, leadership seminars and exchange sessions with top government leaders.

Explorer presidents representing this area are John Schulte, Post 33, sponsored by

During their visit to Washington, the Explorer president will participate in a variety of training programs to make them more effective Explorer leaders, including sessions with Atty. Gen. John Mitchell, political satirist Al Capp, and Mayor Walter Washington.

In addition to sight-seeing tours of Washington, the Explorer Presidents' Congress will climax with an entertainment spectacle on the White House lawn and with the installation of the first national Explorer president.

# Chevrolet's Summer Sale is on.

**Order any Chevelle or Camaro with these four features and we'll help save you some money.**

Our Summer Sale. It's a simple sale. And it works like this. You simply order America's most popular mid-size car, Chevelle. Or America's best-looking, best-handling sportster, Camaro. You equip either car with white stripe tires, wheel covers, deluxe seat belts and AM/FM radio (or any stereo equipment).

Do this—and we'll help save you some money. And what's just as nice, we'll be helping you save money on two of America's more popular cars. You get great deals on cars that give you more for less even when they're not on sale. Except now they are on sale, and

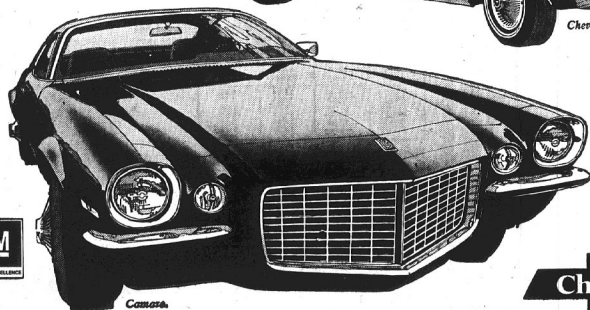

during May and June—the two months more people buy cars anyway. Which isn't the most likely way of doing business.

But then, "Putting you first" doesn't mean doing things from our point of view.

It means doing them from yours.

Chevelle.

Camaro.

**SECRETARY OF YEAR** for 1971 of the Tri-Cities Chapter, National Secretaries Association, Mrs. Mary Gain (center). She is accepting congratulations from the two newest members, Mrs. Gerry Sharp (left) and Mrs. Ilene Willis (right).

## Mrs. Gain Secretary of 1971

Honored at a weekend dinner of the Tri-Cities Chapter, National Secretaries Association (International), at the Rose Bowl was this year's secretary of the year, Mrs. Mary Gain. She and her husband live in O'Fallon, Ill., and they are the parents of David Jr., 13; Thomas, 12; Steven, 10; Michelle, five; and Sandy, two.

Mrs. Gain is secretary to Paul Hatfield of the Ralston-Purina Co. in St. Louis. She became a member of the local chapter in May 1970 and has taken the certified professional secretary examination.

She became secretary of the year by accumulating the highest number of points under a point system set up by a committee, based on meeting attendance, committee work, attendance at conventions and workshops, and educational courses. She succeeds Mrs. Sunny Scruggs, 1970 secretary of the year, and is the ninth to be so honored by the chapter.

The meeting was closed to guests due to election of officers for the 1971-72 year being scheduled. New officers, elected by acclamation, are: Miss Twila Edmonds, president; Miss Dolores Bourisak, vice-president; Mrs. Linda Fritchey, recording secretary; Mrs. Lou Henning, corresponding secretary; Miss Jane Davis, treasurer; and Mrs. Peggy Moore and Mrs. Mary Gain, board members at large.

The officers will be installed Thursday evening, June 3, at the Rose Bowl. Any secretary wishing to attend the meeting may make reservations with the service committee, Mrs. Scruggs or Mrs. Bernice DeRousse.

Mrs. DeRousse, president, is still recovering from the effects of an accident which occurred enroute to a Secretaries Week dinner at the Sunset Hills Country Club in April. The meeting was conducted by Recording Secretary Dolores Bourisak and a financial report was given by the treasurer, Mrs. Sally Gracy.

Mrs. Cleo Buttrey, acting chairman of the Secretaries Week committee, reported that 50 were present at that dinner and 56 participated in a Secretaries Day luncheon.

It was announced by Membership Chairman Twila Edmonds that a contest for bringing guests to meetings through April was won by Mrs. Charis Vunovic. The prize was shared by her with the 14 members present.

Since the previous delegate chosen for the May 14-16 Illinois Division meeting, Mrs. Vunovic, will be unable to attend, Mrs. Scruggs was elected as delegate. She cannot attend and the president-elect will represent the Tri-Cities Chapter at the meeting in Decatur.

A letter of resignation from Mrs. Jean Hileman was read. It was announced that four individuals will be initiated shortly—Miss Marcia Kraus and Miss Joanne Kowalski, Bank of St. Louis; Mrs. Gerry Sharp, Amco Plumbing & Heating Co.; and Mrs. Ilene Willis, Nesco Steel Barrel Co.

STU-SW advised the chapter that the recipient of an award from the Tri-Cities Chapter on Honors Day is Mrs. Colleen C. Wilbur of Edwardsville. Members were invited to attend the presentation on Sunday, May 16.

The program was presented by Mrs. Charis Vunovic and was geared to the Illinois Division meeting as an aid to those attending. The subject was "Develop Your Memory," with emphasis on remembering names.

It was said that memory is like a muscle; the more it is exercised, the more it is strengthened.

Seven points for remembering names of new acquaintances were presented: get the name correctly; pronounce the name at once; use the name often when talking to the person; associate pertinent facts about the name with its owner; visualize the name and the owner together; jot the name down; and mentally review at the end of the day the names and faces of people met that day.

A "circus" theme was used by the service committee, Mrs. Peggy Moore and Miss Edmonds, and favors included napkins, matches and stirrers from the Circus Circus in Las Vegas. Prizes were won by Mrs. Gracy and Mrs. Buttrey. Miss Bourisak announced that the next board meeting will be held May 17 at her home. Mrs. Vunovic reported that an initiation of 36 members and installation of five officers will be held May 23 at 2 p.m. in the Fellowship Hall of Central Christian Church.

Edward Kellogg, executive manager of the Tri-Cities Chamber of Commerce, will be guest speaker. Installing officer will be Mrs. Ann Cople. Great Lakes District representative.

# Regional Report -- St. Louis, Engineers, Illinois Agree This State Has the Best Site for Metropolitan Airport

(Illinois Metro-East Industrial Development Corporation)  
The St. Louis Metropolitan Area Airport Authority voted approval of a site near Waterloo and Columbia, Ill., as the best location for a \$350 million airport that eventually is to partly replace Lambert-St. Louis Municipal Airport as the principal area facility.

The action was based on an engineering study by R. Dixon Speas Associates of Manassas, N. Y., which evaluated 18 possible sites in Missouri and Illinois before pinpointing the optimum location as a triangle between Columbia, Millstadt and Waterloo, 19 miles southeast of downtown St. Louis.

The site was described as essentially the same as the one proposed earlier by a consultant engaged by the city of St. Louis.

Authority Chairman Robert B. Lamkin said in terms of site development costs, convenience

to travelers, minimal dislocation of families and business, and impact on the environment, the Waterloo site is clearly the superior location.

**Voters in Madison and St. Clair counties chose runoff candidates for five seats on the East Side Levee and Sanitary District Board of Trustees.**

Winners in a contest for three St. Clair County seats were: Democratic candidates Bonnel Wilson, Leroy G. Roberts and Eddie Frank Ezell; Republican candidates Carey Cason, James Pirtle and Rufus Burns.

A write-in campaign in Madison County led to designation of Lester Thiele for one of two remaining levee board seats. Republican John Mangiaracino captured the other GOP nomination. Democratic winners were Von Dee Cruse and Walter Greathouse.

Thiele received 35 votes in

the primary balloting; GOP candidate Mrs. Elfrida Barr had 34.

The ten candidates chosen are to meet in a June 22 runoff election.

Air Mid America Airlines initiated daily passenger flights between Chicago and East St. Louis. The airline, based at Chicago's Midway Airport, will serve the Bi-State Parks Airport in Cahokia with its DC-3 propeller planes, carrying 36 passengers and a crew of three.

Two daily round-trip flights, Monday through Friday, are scheduled. Flights leave Chicago at 8 a.m. and 5 p.m. and depart from Cahokia at 10:40 a.m. and 7:40 p.m.

The development of an exposition center in the

Madison-St. Clair Counties area was endorsed 22-0 by the Illinois Senate Executive Committee.

The proposal to build a version of Chicago's famous McCormick Place, sponsored by Senator Sam Vadalabene of Edwardsville, provides for paying off the bonds to develop the center from the state's share of parimutuel horse race betting. In his address to the committee, Vadalabene said the main advantage of the center would be its economic impact on the area.

Arthur C. Becker, speaking in behalf of the Illinois Metro-East Industrial Development Corp., said development of the center

would help the corporation in its efforts to attract industry to the Illinois portion of the St. Louis metropolitan area. Becker also pointed to the proposed new airport and the center as factors in the future development of the area as a convention center.

Mayor James E. Williams and the new East St. Louis City Council took office. The new council took over its duties after a brief ceremony in which outgoing Mayor Alvin G. Fields passed the gavel to Williams, the city's first black mayor.

There were two festive days in the city, with two parades, three inaugural balls and an afternoon of competition in Lincoln Park. The mayor-elect's

inaugural address was presented after he and the four new commissioners were sworn into office publicly.

In general area news, the East St. Louis City Council approved annexation of a new site for the First Federal Savings & Loan Association; plans for a Belleville downtown shopper's mall are to be received by Downtown Development, Inc.; construction of 400 family housing units at Scott Air Force Base is scheduled to begin in mid-June. Raymond F. Abert, Fourth Ward alderman, was elected mayor pro tem by the Edwardsville City Council; and an increase in the work force

at the new Chemico Metals Co. 125 within the next year was predicted by Earl Bockstruck, plant manager.

## Youth Arrested In Madison Theft Case

Gregory Vancil, 17, of 826 Alton Ave., Madison, was arrested at home at 1:15 a.m. Tuesday and charged with theft under \$150. Madison police said they found several items in the trunk of his auto that allegedly were stolen from the auto of Leonard Moss, 808 Greenwood Ave., parked behind Moss home.

Neighbors told police they saw two youths tampering with Moss' auto at 1:05 a.m. when police investigated Moss told them a beautiful kit, a jacket, a wig, a poncho, a plastic letter tray, two floor mats and a loose leaf binder were missing from the auto.

Acting on the neighbor's description of the youths, police went to Vancil's home and obtained his permission to search his auto. All items were recovered from the trunk, according to police. Vancil was released on a notice to appear in Madison court at 10 a.m. Wednesday, May 26.

## Tools Stolen from Garage

A half-inch reversible drill valued at \$60, a \$125 welder and a tool box containing assorted tools were stolen from the garage of John E. Judy, 2324 Woodlawn Ave., he reported at 4:45 p.m. Monday. Entry was gained during the night through a window.

## 1,500 Scouts to Take Part In Annual Scout-O-Rama

The biggest show on earth may be the Ringling Brothers circus, but the biggest show in the Quad-City area at the moment is the annual Scout-O-Rama of the Cahokia Mound Council, Boy Scouts of America, which will be held at the Wilson Park Ice Rink on Saturday, May 22 from 11 a.m. to 8 p.m.

More than 1,500 Boy Scouts, Cub Scouts, Explorers and Scout leaders will demonstrate various phases of the Scout program in booths and exhibits. The local Scouts presently are selling tickets to the event for \$1 in the Quad-City area. The biggest share of the ticket money goes to the Boy Scout troop or Cub Pack that makes the sale, to help them earn money for their own equipment, handicraft projects and summer camp fees.

The walk-around-type show will be open to the public at 11 a.m. and remain open until 3 p.m. Approximately 6,000 persons are expected to view

the displays and demonstrations.

Cub Scout packs from the Quad-City area that will participate are Pack 8, with an Indian village; Pack 9, litterbags and silhouettes; Pack 11, handicrafts; Pack 17, pets; Pack 22, hodgepodge key chains; Pack 28, handicraft; Pack 46, keeping healthy; Pack 47, American heritage; Pack 96, display of years; Pack 98, nature; Pack 107, gifts; Pack 108, Cub showman; Pack 124, Indian sand painting; and Pack 141 miniature racing cars.

Boy Scout troops with displays are Troop 1, fire safety; Troop 5, Project Soar; Troop 7, cooking; Troop 9, Scouts and their pets; Troop 12, fishing; Troop 19, handicraft; Troop 21, map and compass; Troop 35, pig roast; Troop 41, woodwork; Troop 42, fire lure making; Troop 47, knife and ax sharpening; Troop 85, first aid; Troop 9, conservation; Troop 96, wood carving; and Troop 118, stars.

Explorer displays will include Post 6, Indian dancing; Post 24, gun and bullet display; Post 69, recycling; Post 84, cooking; and Post 104, law enforcement.

Explorer Post 96 will serve as a service post and assist in setting up and taking down the show.

Scout units from Collinsville, Eads, Highland, Greenville, and Troy also will have displays and action booths.

**McKendree Students Launch Play Venture**  
Five McKendree College students have been spending a lot of evenings together, not to name a host of holidays and weekends.

What have they been doing? Plays. They have been working on two plays to stage for interested groups, organizations and audiences in this region.

The productions are "Hello Out There" by William Saroyan and "Three on a Bench" by Doris Estrada. The former is light comedy and the latter light comedy.

The five students are David Krause, a freshman from Fair field; G. David McKenzie; a junior from Vienna; Cathi Porter, a freshman from Vandalia; Skip Rozke, a sophomore from Sparta; and Jan Simmons, a freshman from Lebanon.

For further information and how to arrange a performance, contact David Krause, 202 Baker Hall, McKendree College, Lebanon, Illinois 62254 or call 377-8839 after 12:00 p.m.

## Starfinders to Present Play Friday, Saturday

Presentation of "Rags to Riches" Friday and Saturday night at Nameoki School auditorium will end months of practice and rehearsals by members of the Starfinders Children's Theatre group.

Certain time for the melodrama directed by Henry and Ruth Lamb will be 7:30 p.m. Tickets are available from any member of the cast and may be purchased at the door. Cost is 50 cents for students, 75 cents for adults and a family ticket will be \$1.50 with no limit on the number of children in the family. Annette Tarpo, who is to portray Mother Watson in the production, also is chairman of ticket sales.

Mrs. Ann Scott who directed many of the melodramas for the "Frontier Days" celebration in Cheyenne, Wyo., prior to moving to this area, is assisting the directors in the final night rehearsals of the current play. Nancy Milton will don a cap to cover her long hair for her appearance as Mickey McGary. She first appeared as Injun Joe in the recent production of Tom Sawyer.

A daughter of Mr. and Mrs. Elmer Milton of 3235 Westchester Drive, she is a 7th grade student at Coolidge Junior High School, his parents are Mr. and Mrs. Billy Heath, 2305 Gary Ave.

Rick Heath has the role of the policeman and will be remembered as the "preacher" in Tom Sawyer. A 7th grade student at Coolidge Junior High School, his parents are Mr. and Mrs. Billy Heath, 2305 Gary Ave.

Jo Ellen Borchers who played the role of Alfred in Tom Sawyer will make her appearance this weekend as "Mank" the match boy. Her parents, Mr. and Mrs. Arthur Borchers reside at 2113 Cottage Ave. She is in the sixth grade at Frohardt School.

Two specialty numbers in the show will be performed by Gretchen Hoelscher and Bonnie Luebert, and Dawn Lamb and Doreen Sneider.

## Crime, Accident Rates Decline During April

Statistics on major crimes and traffic accidents in Granite City were reduced sharply during April, compared to the same month last year, according to a report by Police Chief Ronald Veizer.

A total of 167 crimes were reported, down by 62, and 88 traffic accidents occurred, down by 41.

The crimes included four robberies, up two; eight cases of assault, down two; 39 burglaries, down 35; 97 larcenies, down 13; and 19 auto thefts, down 16. Ten autos were recovered.

In the accident toll, 20 involved injuries with 29 persons hurt, down 17 and 27, and 68 involved property damage, down 24.

Police made 166 arrests during the month, down 100, including 119 traffic arrests, down 77, and 47 other arrests, down 23. The department answered 1,565 complaints during the month.

## Hit-Run Accident

A hit and run auto struck the left rear of the pickup truck of Clarence Whitford, 2810 W. 2nd St., on 19th Street at the railroad tracks during the weekend. The left front fender of Whitford's vehicle was damaged.

## SW Bell Workers to Seek 25% Average Wage Boosts

A proposed one-year contract has been prepared by District 6 of the Communications Workers of America and will be submitted to Southwestern Bell Telephone Co. next week for consideration before contract talks begin June 22 in the telephone company offices, 1010 Pine St., St. Louis. The present three-year contract expires July 17.

District 6 includes Local 6600, East St. Louis, which represents all members in the Illinois area served by Southwestern Bell.

The proposed contract seeks an across-the-board increase of about 26%, while the company has offered between 9.5% to 10%. The issue of fringe benefits also may be a point of controversy in talks as the union is seeking "a broad range of improvements in that area," according to Paul G. Gray, assistant to the district vice-president. "The company offer on the table is, in our opinion, wholly inadequate," Gray said.

**Want 1-Year Pact**  
"We are seeking only a one-year contract and will not settle for another three-year package unless the company comes up with some awfully good annual increases or other benefits," he added.

"Most of the other district contracts expired earlier this year so we are watching their negotiations with Southwestern Bell to see if the talks are productive there," Gray said.

If the company takes a hard

line stand with other districts, strikes are expected throughout the country which may carry over to here when the present contract expires, according to the union official.

The district union represents more than 70,000 members in Illinois, Missouri, Kansas, Oklahoma, Texas and Arkansas. There are 16,648 members in the Eastern Missouri, Arkansas and Illinois area which is headquartered in St. Louis.

The labor body started in the early 1930s as an employee association in the Missouri-Oklahoma area. In 1937 a constitution and charter were prepared and the district became the Southwestern Telephone Workers Union.

The new St. Louis offices of the district were opened in 1970 as the first permanent headquarters of the organization.

## Ernestine May Be a Blackmailer But at Least She Is 'Involved'

"This is a Recording" (Lily Tomlin, Polydor 24-0535). As a comedy actress, she is more a similar than a guffawer. Much of the "Laugh-In" stars material has that ring of truth to which you must nod agreement.

As the telephone company employee, Ernestine Tomlin, Lily cuts through to the core of complaints many customers have—those which are more prevalent in the biggest cities.

Ernestine comes to us out of some sort of time warp — a Forties-ish spinster telephone operator with an unusual enthusiasm for her job.

Her tireless devotion to duty in the midst of a strike, her high-handed manner with late-paying subscribers ("I think blackmail is such an ugly word") and her relationship with her boyfriend, Vito (Mr. Veele), are legend.

Like Flip Wilson's Geraldine, she is idiosyncratic, in-

tense, overly self-assured and not at all likable. But Geraldine must depend totally on her own force and "charm" to get her way.

Ernestine has the power of Ma Bell behind her so that her merest whim can be executed to a power play between the greats, as on the track, "Joan Crawford."

All the power and prestige of Bell Tel is thrown against Pepsi Cola (Miss Crawford) in an exec there) to get Ernestine's line down back from a Pepsi machine.

Still, Ernestine isn't all bad, nor should we dismiss her too lightly.

Ernestine doesn't "just work there," she cares; she is personally involved.

As such, she is a microcosm of all the attitudes, appearances, ideals and images the company tries to present—to an absurd but endearing level.

## Steelworkers Losing Battle with Inflation; Representative Reports

To the Editor:

The Nixon Administration is now beginning its propaganda barrage on the American people concerning the approaching "steel" negotiations. The President's "inflation alert" is another name for government pressure and intervention.

A few facts that have not been stated in the news media are needed to place the steel negotiations in the proper perspective:

1. In 1968, the last steel negotiations held, a "non-inflationary" settlement was negotiated in steel.

This settlement was based on the 3.2% guideline established by the Johnson Administration. Immediately after the steel settlement, the 3.2% guideline was scrapped and contract settlements went far, far above that level—10% to 15% in some instances.

As a result of the 1968 steel settlement, the steelworkers of this country lost more money due to inflation than any other group of workers, losing everything they buy has cost more.

The U. S. News and World Report, Aug. 24, 1970, issue listed workers in 38 categories of employment.

Steelworkers led all the rest in the amount of lost wages due to inflation (down \$8 per week), telephone workers lost \$5.67 per week, and teachers lost \$5.67 per week. Today, it is a greater loss than last year.

Top economists cannot agree on programs to bring about full employment and optimum economic growth.

Leon Keyserling, former chairman of the Council of Economic Advisors under President Harry Truman, has published a pamphlet observing that real purchasing power has grown too slowly in recent years.

He says that recent wage settlements and those now in progress "fall short of their role in expanding wage purchasing power toward the requirements for restoration of full resource use and full employment."

This is in contrast to those who continue to blame the recession and inflation on wage increases.

4. The steel companies have been unable to raise prices because of government pressure, thereby placing them in a position of low profits in comparison with other industries.

5. The reluctance of Congress and the Administration to pass laws to limit foreign imports of steel leaves the company and the union in a precarious position. To date, only voluntary agreements have been obtained to limit imports.

The steelworkers must "catch up" the loss incurred during the last three years.

ment intervention.

BILL TO LET YOUNG MEN

REFUSE UNDECLARED WAR

To the Editor:

The Illinois House Executive Committee will have a hearing on the Mann Bill (House Bill 315), which would uphold the right of an Illinois citizen to refuse to serve in an undeclared war.

As most Americans already know by now, the war in Vietnam is in direct violation of Article I, Section 8, Paragraph 11, of the United States Constitution, which empowers only Congress to declare war.

One of the great tragedies of the war is the decision that must be faced by the young men of this country.

They are asked to fight in a war which I believe to be both morally and legally wrong. It is not a pleasant situation for any well-informed young man just starting out in life.

It takes a brave young man to buck his country when he strongly believes his country is wrong.

The decision to go to war is one that must be made by each individual alone, remembering that war means the killing of other human beings.

By supporting the Mann Bill, we will guarantee the right of our young men to refuse to fight in any war which is undeclared.

The bill would not apply if Congress declares war in national emergencies in which our country is under attack or in which our national interests are clearly threatened.

To the Editor:

As most people are aware, April 18 was a wonderful day for the Knights of Columbus and Alvin Shrine Temple.

The turnout was fantastic, and beyond our expectations. To the people who turned out, we extend a hearty "thank you."

### Missouri Study Tomorrow, But More Complete

#### Past Surveys Back Illinois Site for Airport

Much ado is going to be made tomorrow about the findings of a study of 11 Missouri sites, one of which may be recommended as a location for the proposed second major St. Louis airport. The study, which was speeded up following the big May 5 Illinois airport announcement, was financed by the state of Missouri at the request of those Missourians who prefer some site in their state regardless of the cost and distance.

Preference for a site between Columbia and Waterloo, Ill., has been voiced by the St. Louis Metropolitan Area Airport Authority; by engineers reporting to the city of St. Louis and the state of Illinois; and by engineers hired earlier by the city of St. Louis.

No doubt there will be considerable hue and cry over the new survey conclusions. But it is clear that the Missouri study cannot have been as exhaustive and thorough as those made previously; only a few weeks have elapsed since it was started.

The massive report by R. Dixon Speas Associates of New York dealt with air space considerations, distribution of originating and terminating passengers, the emerging regional patterns of development/ground transportation networks, availability of open space, air trade demand and operational characteristics of current and future jet transport aircraft. Its clear recommendation: "The new airport should be located in the eastern or southeastern portion of the St. Louis metropolitan region; it will require a minimum of 14,000 to 20,000 acres of land."

Least anyone assume that some sort of behind-the-scenes "steal" of an airport is in progress, all should note the Oct. 31, 1968, master plan of the existing Lambert-St. Louis Municipal Airport.

It said, to everyone willing to listen, "The St. Louis Lambert Airport, even with maximum expansion, cannot be expected to fulfill commercial air carrier needs of the St. Louis area beyond 1979. Recommendation—Embark immediately on a new major airport development program to avoid anticipated buildup of congestion at Lambert Field in the late 1970s."

It is generally estimated that ten years are required to establish an airport of the kind envisioned — a \$350 million ultra-modern jetport. This being the case, the urgency of the situation is spelled out in an April 1969 report by the Federal Aviation Administration:

"Even with maximum practical expansion of Lambert Field and with 45% of general aviation attracted to upgrade general aviation airports, it is evident that Lambert's current role in accommodating all airline movements can only be extended to 1982. Based upon previous airport development planning experience, however, it is deemed prudent to recommend 1980 as the target date for initiating operations at a new air carrier airport."

## Winter Wonderland

By BILL WINTER  
Editor, Press-Record

There will be a few misty eyes for the alpine majesty when "The Royal Gold and Blue" is sung. A girl in the class of '21 wrote the song.

During her long career, Miss Feddersen worked in St. Louis for about 20 years, in Los Angeles and Seattle for a year each, and in nearby Alton, Ill., for the last 30 years. There she still pursues her favorite—private duty.

She remembers her initial night duty, when as juniors she and her classmates served as "head nurses" on the wards.

"When we were seniors, we even served as night supervisors," she recalls, adding, "There were only a few more graduates than there are now."

A major occurrence during her time was the Spanish influenza epidemic. "As I remember it, 500,000 Americans died of that epidemic," she relates. "What of the differences between nursing then and now?"

Nurses preferred special duty to general duty, she notes. "But specializing is almost a thing of the past."

"World War II really kept us busy with so many RNs in the service. I remember working 368 shifts in 368 days."

## Money, Power, Romance? To Really Be Happy, Do Something Useful . . .

A week ago we noted the approach of Hospital Week May 9-15 by reporting what we had seen in a tour of the new St. Elizabeth Hospital wing which is to be placed in use during 1971.

Today, with Hospital Week in progress, our thoughts have turned to nurses and the vital role they play at hospitals.

With the local school of nursing no longer in operation, the training of nurses elsewhere in the St. Louis metropolitan region receives extra attention from Quind-Cityans.

Among them is the Lutheran Hospital School of Nursing, where a total of 18 graduates of the class of 1971, Miss Martha Feddersen, R. N., is being honored as part of the National Hospital Week.

## Change in Magistrate Assignments One of Many Stemming from the New Constitution

Magistrates will no longer exist under the Illinois Constitution which was adopted in December 1970 and will go into effect July 1, 1971. They will become associate judges eligible for four-year terms rather than indefinite appointments, and the approaching deadline has prompted a revamping of the staff in an order filed May 11 by the four circuit judges.

The initial indication is that Stephen Janakopoulos, Joseph Kelleher and Thomas Welch will not be retained and will be replaced by Roy Strawn, Harry Mondhink and Edward Mooman. Of those listed as being retained, William Johnson, Andreas Matosian, Merlin Hiscott and Harold Gwiliam, Gwiliam has reported plans to retire in July.

The June 28 changeover apparently followed an Illinois Supreme Court reminder that magistrates serving on July 1 will qualify for four-year terms. The new constitution also eliminates any distinction between present circuit judges and present associate judges, all of whom will continue to be subject to election each six years.

When the magistrates become associate judges, they must meet the same requirements of residence within the jurisdiction and standing as licensed attorneys.

Although circuit judges will retain the appointive power which they exercised this week, it will be based on Illinois Supreme Court rules rather than General Assembly decisions after July 1. And the types of cases assigned to the former magistrates elevated to associate judges will be determined by the Supreme Court rather than the legislature.

It will be a "new ball game" in many phases of Illinois government beginning this summer and, obviously, the impact already is starting to be felt.

Life would be a grind if we had no faith in one another. Most of us would have to live within our incomes.

## Endless Court Delays Likely to Keep New

### Levee Board Members from Taking Office

The ability to delay a court order almost endlessly by appealing it creates much confusion and many problems for society. An example is the situation affecting the East Side Levee & Sanitary District, which was the subject of a Circuit Court order May 10.

The four present levee trustees were convicted last fall of misconduct in office; there is one board vacancy due to a death. The four were placed on three-year probation, fined and ordered removed from office. They appealed and obtained Appellate and Supreme Court orders delaying their removal from office pending the outcome of the appeal.

The governor meanwhile ordered elections to replace the trustees. The governor nominated five candidates in primary balloting May 4.

The court ruling this week is that officials should proceed with the June 22 general election. This will result in selection of five additional trustees, who are almost certain to find four of the five positions still being filled by the existing board elected to four-year terms in 1968.

In the meantime, the appeal through the Appellate and Supreme Courts undoubtedly will still be in progress, and the carryover members may be difficult to dislodge from the board.

Somebody is right and somebody is wrong, but the deciding element may well be "delay" rather than "facts."

The courts ought to find some way to achieve quicker verdicts, especially when there is the risk that time will make an eventual ruling meaningless.

When credit is too easy, some people try to change the "straight and narrow" path into a four-lane highway.

Highly satisfied with her career, the veteran nurse is urging more girls of the class of 1970s to consider nursing.

"There is such a variety of fields and opportunities which we didn't have. There are many hospital specialties, clinics, industrial nursing and government services — any place here or abroad."

Proud of Lutheran Hospital's continuation of its three-year diploma course of nursing, Miss Feddersen adds:

"Our age is becoming so ridiculously degree-conscious that it is losing sight of many other values which capable, trustworthy, honest individuals can provide without so much formal education."

"There is a happy medium, but I believe experience and general interest in the work count for every bit as much as bookish skills."

Certainly, she is an outstanding example of the variety of fields and opportunities which we didn't have. There are many hospital specialties, clinics, industrial nursing and government services — any place here or abroad."

## Updated Illinois Approach to Drug Abuse Problem Focuses on Dealers

By GOVERNOR RICHARD B. OGILVIE

In these troublesome times, few problems are so deeply disturbing as drug abuse—particularly among young people.

Like a raging epidemic, drug abuse has spread into the suburbs, small towns and even the country-side, leaving few areas untouched by fear and dread. Drug abuse is a problem which is centuries old, but the involvement of young people is something new and ominous.

In recent special messages to the Illinois legislators, I pointed out that Illinois has not experienced the devastating impact of drug abuse seen in other areas—Washington D.C., for example.

In a period of just 18 months, the capital city's Narcotics Treatment Administration estimated that the number of heroin addicts had increased more than 14 times — from 1,600 to 22,400 human beings.

While I am convinced there is no case for the legalization of marijuana, I also believe we have been guilty of a kind of "overkill" in arrests involving young first offenders.

In the field of treatment and education, Illinois has pioneered among all the states in its methadone treatment for heroin users.

This drug, used as a substitute for heroin, has been shown to return addicts to useful lives.

Significantly, in just two years, we have increased our facilities rapidly to handle as many as 1,600 patients. In 1969, we had space for just 100.

In terms of frequency, alcoholism is a long-standing and pervasive problem properly cataloged with the abuse of drugs.

More than 20% of the persons entering Illinois mental hospitals are there from alcohol-related problems.

Accordingly, I have recommended a 50% increase in our state's easy answer to the plague of drugs which is upon us, I cannot.

But we have made a strong start in the right direction.

In proposing legislation and best programs to the General Assembly, I stressed the necessity of coupling enforcement with education and treatment.

Enforcement is our first tool. I recommended measures which, in my opinion, are tougher on drug dealers, more realistic in their approach to different types of drugs, and more humane toward young people found in possession of a small amount of marijuana.

Enforcement to raise the mandatory minimum sentences for drug sellers to 10 years, and to three years for possession of large quantities of illegal substances.

### Bridge Funds Going to Madison

For the first time since the city purchased the Chain of Rocks Bridge in 1930, the citizens have benefited directly. Mayor Stephen Maerz announced as he showed a check for \$3451 at the Madison Council meeting. The mayor explained that until the bridge was refitted, the city benefited only in the good will and prestige of the bridge and having about 16 citizens employed there; he believed they should receive other benefits besides the jobs, and the city now receives part of the profits.

Mrs. Emma Allen of San Antonio, Tex., spent a week with her brother and sister-in-law, Mr. and Mrs. David Kendall, 2508 State St.

### Roz-Woodward Betrothal Told

Mr. and Mrs. Albert Woodward, 2823 Madison Ave., are announcing the engagement and coming marriage of their daughter, Miss Iris Marie Woodward, to James Anthony Roz, a son of Mr. and Mrs. Stanley Roz of Cicero, Ill.

Both young people are juniors at Southern Illinois University-Carbondale campus. Miss Woodward is in Elementary Education and her fiancé is a psychology major.

Their wedding is being planned for September.

### \$500 GIFT DONATED BY EDWARDSVILLE WOMEN

A gift of \$500 has been presented to the Southern Illinois University Foundation by the Junior Service Club of Edwarsville for a loan fund to be established in the club's name at the Southwestern campus.

Presenting the check for the Junior Service Club was its president, Mrs. David Bardsley.

Under the terms of the gift, loans will be made to full-time undergraduate students at SIU-SW who are graduates of Edwarsville High School or Edwarsville residents who are graduates of a private or parochial high school.

Loans will be interest free and will be repaid at the rate of \$41.67 per month, beginning the first day of the tenth month after the recipient has graduated or is no longer enrolled as a full-time student at SIU.

Applicants should forward their requests to Walter Mehl, director of student work and financial assistance, who will select recipients.

### RETURN FROM SPRING VACATION IN ALABAMA

Mrs. Louise Hickney and Mrs. Janet White and children, Gregory and Kara Sue, of Granite City, have returned from a spring vacation in Alabama where they were house guests of Mr. and Mrs. Edward Devany and children, Pat, Melissa and Rusty, of Monte D'Or, Birmingham.

Mrs. Devany is the daughter of Mrs. Hickney and Mrs. White's sister. While in the south, the visitors toured various points of interest and Mrs. White was honored at a birthday dinner and patio party. The Devany's are former local residents.

### Two Concerts to Feature Pianist

American pianist Jerome Lowenthal will appear with the St. Louis Symphony Orchestra in concerts at 1:30 p.m. Friday, and at 8:30 p.m. Saturday, at Powell Symphony Hall.

Walter Susskind, the orchestra's conductor and music director, will be on the podium.

The program includes the Symphonic Poem, "Uirapuru," by Villa-Lobos; Ginastera's Piano Concerto and the Symphony in D Minor by Cesar Franck. It will be the first time the orchestra has performed the Villa-Lobos, and Ginastera works.

Lowenthal, a native of Philadelphia, has appeared before audiences in more than 30 countries in the past few years. He made his orchestral debut at the age of 19 with the Philadelphia Orchestra and later became a pupil and disciple of the late William Kapell.

After Kapell's death in 1953, the pianist studied with Eduard Steuermann at the Juilliard School of Music. He already had been graduated from the Saint Louis University of Pennsylvania with

honors in French literature.

Lowenthal also studied in Europe before making his New York debut in 1963, playing the Bartok Second Concerto with the New York Philharmonic Orchestra under Josef Krips.

When not traveling, Lowenthal lives in Manhattan with his wife, the Israeli pianist Ronit Amir, and their daughter.

Concert tickets are available from \$1.50 to \$7 at Powell Symphony Hall, 718 N. Grand Blvd., St. Louis; Southern Illinois University-Southwestern campus, University Center, Union Clothing, Belleville; and American National Bank in Granite City.

### Youth Orchestra Concert Friday

The Saint Louis Symphony Youth Orchestra will present its third and final concert of the season at 8:30 p.m. Friday in Powell Symphony Hall, with Leonard Slatkin, conductor and music director, on the podium.

Walter Susskind, conductor and music director of the Saint Louis Symphony Orchestra, will guest conduct Beethoven's Symphony No. 8.

Two members of the Youth Orchestra, concertmaster's Christine Taussig and 16-year-old Peter Sadowski, will be featured in Bach's Concerto in D Minor for Two Violins and Strings.

Also on the program are Respighi's Ancient Airs and Dances for the Lute, Suite No. 2 and Hindemith's Symphonic Metamorphoses on Themes of Carl Maria von Weber.

Miss Taussig, 18, is the daughter of Mr. and Mrs. Harold Taussig of Normandy, Mo., and a senior at McCluer High School. She studies with Melvin Ritter, concert violinist and artist in residence at Stephens College, Columbia. She has performed with a number of orchestras and was concertmaster of the All-County Suburban Symphony Orchestra in 1969.

Peter Sadowski, a sophomore at St. Louis University High School, has studied violin for eight years, six in Poland and four in this country. His father, Fryderyk Sadowski, principal second violinist of the Saint Louis Symphony Orchestra, is his teacher. He attended Red Fox Music Camp on scholarship last year.

The 125-member Youth Orchestra is composed of St. Louis area musicians 12 to 25 years old, and is sponsored by the Women's Association of the Saint Louis Symphony Society. General admission is \$1.50, and tickets are available at Powell Symphony Hall, 718 N. Grand Blvd., St. Louis; Southern Illinois University-Southwestern campus, University Center; and American National Bank, Nameoki and Fehling roads.

ENGAGED. Miss Iris Marie Woodward, whose parents, Mr. and Mrs. Albert Woodward, 2823 Washington Ave., are announcing her betrothal to James A. Roz.

**JUNIORS CONFIRMED.** Members of a Concordia Lutheran Church confirmation class completing 250 hours of special instruction who received the Sacrament of Holy Communion in services this week. ### CHAPTER HT MEMBERS HEAR CLUB HISTORY

Reflections of P.E.O. since the inception of Chapter HT, including several amusing anecdotes that have happened during the past 20 years, were expressed by Mrs. B. S. Miller who gave the program at Monday afternoon's meeting.

Chapter HT members met in the home of Mrs. Robert Backs, 17 Bermuda Lane. After a dessert luncheon, a brief business meeting was conducted.

The next meeting will be with Mrs. Miller, 3230 Princeton Drive. The program will be given by Attorney Leo Konzen.

## GUARANTEED 40,000 MILES

### LIFESAVER RADIAL

How can we guarantee it? Because it's a unique tire—a radial. What makes a radial unique? Well to start, radial plys. They cause less friction for longer treadwear. Reinforced with 4 tough Dynacor Rayon belts for greater tire strength and tread stability.

Next, flexible sidewalls that absorb impact for a smoother ride. And rounded shoulders to carry more load on the road for safer handling. In fact, the special design of the radial even improves gas mileage! All in all, the Lifesaver

Radial is the strongest, safest, most economical tire we make.

And that's why we give you this guarantee.

### LIFESAVER RADIAL TREADWEAR GUARANTEE

B.F. Goodrich Lifesaver Radials are guaranteed to give you 40,000 miles of treadwear in normal driving on your car. If you don't get 40,000 miles, take the guarantee back to your BFG retailer. For a small service charge, he'll give you credit towards the going trade-in price of new Lifesaver Radials.

## A NEWS LETTER from

DOLORES H.

ROHRKASTE, Realtor

For the past three years, we have received many calls from the Tri-City area inquiring about small areas of land in the open spaces on the bluffs and yet not too far from Interstate 270. Many of the people we spoke with wanted a lake, maintenance-free home and wooded play parks for their children.

We feel that we now have this and more to offer to you!  
**OUR NEW "IRON MOUNTAIN LAKE ESTATES"** is a new 50 acre development with a 5 acre lake for the private use of the homeowner. In addition, our developer (he also is from Granite City) has added a wooded park and set aside wooded spaces for a barn and riding horses.

**THIS NEW DEVELOPMENT** is on Route 157 leading into Edwardsville. Take Interstate 270 to Route 157, pass the Edwardsville Holiday Inn and Sunset Hill Country Club. Then make a right turn on Meridian Road.

**WE HAVE A NEW brick home** ready for your family... completely carpeted (except the baths and family room), two fireplaces, all brick three-bedroom, 2 baths, family room, dining room, 2 car spacious plastered garage, central air, city water, and lots and lots of open spaces.

**WE WILL BE THERE Thursday and Friday** evenings, Saturday and Sunday from 1 p.m. until dusk.

We have even arranged financing with your lending institutions with 10% down... they have been out and think it's great!

Come out and see us...

Sincerely,  
DOLORES ROHRKASTE, Realtor

**3 GC Students Named U. I. James Scholars**

Three Granite City students entering the University of Illinois next fall are among 1,072 freshmen to be designated as Edmund J. James scholars in a program for superior undergraduate students.

They are Philip D. Dortch, 2811 Warren Ave.; Mark D. Freedman, 2545 Cleveland Blvd.; and Robert J. Swan, 3407 Franklin Ave.

Acceptance as a James scholar is the highest academic honor that can be conferred on a freshman entering the U. of I. James scholars are chosen on the basis of an outstanding high school record, high general scholastic aptitude for college work and an earned reputation for seriousness of purpose, persistence and self-discipline in academic endeavors. The honors program is named after Edmund James James, president of the U. of I. from 1906-1920.

James scholars are given an opportunity to enroll in special courses and honors sections designed to use their full academic capabilities, to make adjustments in their programs to

**Detention Home Workshops Underway**

In-service staff trainers in juvenile detention homes from 20 states are involved in workshops conducted by the Delinquency Study and Youth Development Center of Southern Illinois University-Southwestern. The workshops to continue through May 21, are being conducted in St. Ann, Mo., at the Parkway House.

It is the second program in a series to be conducted by the SIU-SW center for in-service trainers, according to John Holmes a staff assistant. He said the series was started after a nationwide survey conducted by the center revealed that there were no out-service training programs in the country for any of the 270 detention homes.

Holmes said the center developed workshops that stress techniques of training, using content relevant to juvenile detention home philosophies, practice and procedures. The personnel will be exposed to communication techniques, behavior management and daily programming.

The training workshops are funded by a grant from the Department of Health, Education and Welfare.

### Philharmonic Society Elects

Bertram N. Risch was elected president, and S. Carl Robinson, chairman of the board of the Philharmonic Society of St. Louis at its annual spring meeting.

Dallas B. Robinson was named secretary. Re-elected were Leo Samet, vice president, and David A. Lyon, treasurer.

Incumbent members of the board of directors who were re-elected are: Barbara Crisanti, Glenn E. Mueller, Samet, Elizabeth R. Deveau, Betty N. Risch, George R. Schmidt, Lester A. Kellam, Max Risch Jr., Marion Williams, Janet Krull, Dallas B. Robinson, Lyon and S. Carl Robinson.

It was announced that the 1971-72 concert season will consist of four concerts, all at Kiel Opera House. The dates for these concerts are Nov. 18, 1971, and Jan. 20, March 9 and April 27, 1972. Programs and soloists will be announced at a later date.

Arrangements for the selection of a conductor for next season have not been completed.

**MRS. SNYDER RETURNS FROM TEXAS VACATION**

Mrs. J. F. Snyder of Rock Road returned home this week after spending a vacation with her sister-in-law, Mrs. Roy Little in Laredo, Tex. The two women visited frantically in Laredo during the former's visit.

Mrs. Snyder traveled to Texas by plane. Upon returning to St. Louis, she reported the aircraft was not allowed to land immediately because of a bomb threat at Lambert-St. Louis Airport Terminal. According to the local traveler, however, the delayed arrival time was "an exciting end to a fine vacation trip."

### Home Adviser Plans to Retire May 31

By DONNA HOGAN

Press-Record Staff Writer

"Although 4-H clubs are primarily known as organizations for rural children, they have increased membership by a great majority with girls in the cities who are interested in sewing and cooking," Mrs. Knecht noted. The rural youngsters have a wider scope of activities as they have programs relating to livestock and farm machinery.

In addition to her 4-H work, the assistant home adviser has conducted sewing classes in various cities and towns, utilizing modern methods to the attention of area women. She also has taught classes nutrition and the preparation of foods.

A graduate of the University of Illinois with a Bachelor of Science degree in Home Economics, Mrs. Knecht began her career with the Home Bureau in 1937. She resigned in 1946 to rear a family, but returned to the county office as assistant adviser to Elaine Wendler in 1956.

In 1950, the name of the Bureau was changed to Madison County Homemakers Extension Service and the organization became more closely affiliated with the University of Illinois as a co-operative extension service.

**4-H In Urban Areas**

Mrs. Knecht primarily is involved with 4-H activities and has been a major leader in promoting the expansion of 4-H club work throughout the county, conducting special classes in sewing both for beginners and advanced students.

**Madison Girl Wins 'Little Miss' Title**

Angela Grupas, 7-year-old daughter of Mr. and Mrs. Albert Grupas, 1302 Washington Ave., Madison, was elected "Our Little Miss of Southern Illinois" in competition held this week at the Rox Arena in Roxana.

Competing in the 3-to-6-year-old age group in the 1970 contest, the Madison child previously earned the title, "Miss La Petite of Southern Illinois." The "Our Little Miss" segment is for girls 7 to 12 years.

In addition to receiving a large trophy and a tiara, Angela qualified to represent Southern Illinois in the state contest, scheduled to take place July 16-17 at Sterling.

Based on talent, poise and personality, the contest procedure also required Angela to model sportswear and a party dress and to perform a talent.

The tiny girl played two violin selections and sang and danced a western number to gain her title.

She is the granddaughter of Mr. and Mrs. Rudolph Majkut, 1827 Edwardsville Road, Madison. Angela was sponsored in the contest by the Arlington Golf Club.

**Cloverview Club Plans Guest Day**

The May meeting of the Cloverview Garden Club was held Monday at the home of Mrs. Louise Sedlack, 14 Snowbird Lane.

A 1 o'clock dessert luncheon was served to 10 members.

The business meeting was called to order by the club president, Mrs. Kenneth Brokaw, and the club collect was read by Mrs. Fred Orr.

Mrs. Brokaw reported on the District V Institute and the Garden Study Club guest day which several of the members attended. An invitation to the Edwardsville Garden Club's annual rose luncheon on June 3 was read.

A program on bulbs was given by Mrs. C. J. Lisc, and a comprehensive study was made on the Dutch iris.

A guest was Mrs. Mildred Gray, and other members present were Mrs. John Lentz, Mrs. William Bradley, Mrs. George Knapp, Mrs. Robert McCauley, Mrs. John Jenkins and Mrs. Richard Branding.

The June meeting will be a noon pot luck luncheon at Wilson Park.

### Shower Honors Jennifer Bailey

Miss Jennifer Bailey was honored at a bridal shower given during the weekend by her parents, Mrs. June Evenson, Mrs. Barbara Bailey and Mrs. Elva Mae Spiceland, in the latter's home, 3739 First Oaks Drive.

After the honoree opened her gifts, games were played with prizes awarded to Mrs. Glynn Bailey, Mrs. Sue Champion and Mrs. William Elliott.

Refreshments were served to the prize-winners and to Mesdames Olea Ashby, Juanita Towery, Arlene King, Maxine Crabtree, Mabel West, Imogene Cable, Izye Barr, Beverly Seybert, Euline Hall, Mildred Edlin, Mary Ann, Norris Bono, Rene Keck, Laura Wilkins, Mary Ann, Norris Bono, Misses Ruth Bolt, Sharon Heck, Robin Champion, Sabina Rumbelt and Wandi Bono.

Mrs. Kate Bailey, mother of the honoree, and Mrs. Lois Hoffman, mother of the prospective groom, were special guests at the party.

Miss Bailey will be married to Stanley Hoffman Jr. May 29 at the Third Baptist Church.

**Pastor-Writer To Be Honored**

The Rev. Wendell Garrison, pastor of Suburban Baptist Church, will be honored at a luncheon at the Holiday Inn in Benton, Ill., Saturday.

The Granite City pastor will be recognized as writer of "Speaking Out," a column in the Illinois Baptist, a weekly newspaper. His articles appeared from January through April, 1970.

The Illinois Baptist has a circulation of 53,000 with offices in Carbondale and Springfield. The journal recently received the 1970 Award of Merit for Editorial Advocacy from the Associated Church Press. Robert J. Hastings is editor.

**Jeffers-Wiesman Nuptials**

Announcement has just been made of the recent marriages of Mrs. Esther Wiesman, widow of the late Dr. Irvin Wiesman of this city, and George Jeffers of St. Louis.

The informal ceremony was performed at the Meadowbrook Country Club April 18 and a small reception for relatives and a few friends followed. The couple is residing at 10374 Chimney Rock Drive, St. Louis.

**JOHNSONS HONORED ON 26TH ANNIVERSARY**

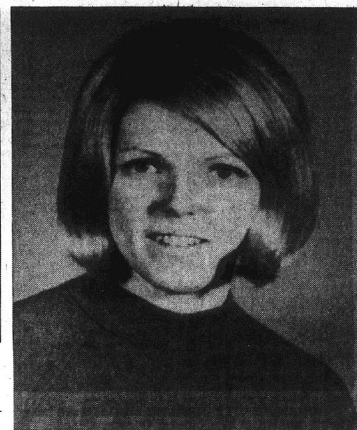

Mr. and Mrs. Walter Johnson, 2842 State St., were honored on their 26th wedding anniversary at an open house reception given this week in the home of Mr. and Mrs. Earl French, 1814 Clark Ave. Co-hosts were Mr. and Mrs. Marvin Edgington.

The Johnsons greeted approximately 125 guests during the afternoon reception. They were married on May 13, 1946 at the Winstanley Baptist Church, East St. Louis, and have resided in Granite City since that time.

Mrs. Johnson is the former Rosamond Harrison. Her husband is employed at Shell Oil Co. in Wood River.

The engagement of Miss Donna Marie Tabor, a first grade teacher at Logan School, and David L. Godke, son of Mr. and Mrs. Robert A. Godke of Kewanee, Ill., is announced this week by the bride-elect's parents, Mr. and Mrs. Donald A. Tabor, Rural Route 7, Edwardsville.

Both young people are graduates of SIU-Carbondale. Mr. Godke completed work on his master's degree in Chemical Agriculture in December 1970 and is employed by the Getty Corp., a chemical firm in White Plains, New York.

Miss Tabor is a former resident of Granite City. The couple is completing plans for a June 12 wedding at the Name-oki United Methodist Church.

### Church Honors Mrs. Ida Pettit

Mrs. Ida Pettit, 1831 Skoen St., Madison, was honored by the congregation of the Word of Life Tabernacle as the "Outstanding Mother of the Year" during services this week at the church, 12th and Meridian streets.

Mrs. Pettit, 68, was selected by fellow church members for her contributions to the Word of Life Tabernacle and a record of perfect attendance.

She is the mother of Mrs. Media Champion, Mrs. Vera Cook and Mrs. Helen York, all of whom reside in the Quad-Cities.

The honoree was presented a gold pin inscribed—"Mother of the Year 1971"—by the Rev. Henry Crippen, pastor. Last year's award winner, Mrs. Jean Keeling, 2406 Delta Ave., also was present for the Mother's Day observance and service.

## Moonspinners 4-H Club Sets Events In Coming Months

The Moonspinner 4-H Club met at the Namooki Presbyterian Church with leader Mrs. Eleanor Kozol, Mrs. Carol Davis and sewing project leader Mrs. Jo Uram.

Ann DeRuntz, president, opened the meeting, and pledges were led by Mary Ann Boquette and Donna Portell. Roll call was taken by Tammy Duff, vice-president, and Ann Uram, secretary, read the minutes of the last meeting. Teresa Bellue gave the treasurers report.

Mrs. Uram, announced plans for the sewing classes and reported on various projects of the girls.

Plans were made to attend a meeting on electrical activity, at the Farm Bureau in Edwardsville at 7 p.m. May 20. The program will deal with electrical appliances used in the home. Plans are to meet at 6:15 p.m. at St. Elizabeth's parking lot, with sewing class originally set for May 20 will not be held.

The leaders announced that an open house will be held May 23 for Mrs. Mary Knecht, retiring assistant extension advisor. Future activities include demonstrations in food, June 21 in Edwardsville; county 4-H Achievement Day July 8-9; and local achievement meeting July 7.

Demonstrations were presented by Donna Portell, "Chocolate Chip Cookies"; Anita Turner, "Egg Salad"; Katharine DeRuntz, "Care of Knitted Garments, Washing, Ironing, and Storage"; Ann Marie Uram, and Betty Kominda, "Deviled Eggs".

Refreshments of homemade chocolate chip cookies and punch were served by Laura Turk and Rosemarie Horbelt. Others present were Cheryl Bellue, Susan Davis, Mary Beth Fowler, Jane Federich, Carolyn Goldsch, Laura Mann, Dawn Portell, Linda and Denise St. Ivany, Lisa Steggemeyer, Sandy Feeler, Terri Ponce, Terri Polson, and a guest, Tammi Larson. The next meeting will be June 3.

GRANITE CITY JUBILEE MEDALS are being sold here after being minted in Sherbrooke, Quebec, Canada. The obverse side shows a ladle pouring steel, the figure "75," the statement "Granite City, Illinois, Diamond Jubilee" and the city motto, "Industrial Magnet of the West." The reverse side says "Granite City Park

District, 50 Years, 1921-1971." with the Wilson Park ice rink-recreation center surrounded by playground equipment, a ball player, picnic bench, flowers and a swimmer. The designs were created by Granite City High School art students.

## Limited Supply of Jubilee Medals Sells Like Hotcakes

"Get them while they're hot." No, not the pancakes, but Granite City diamond jubilee medals.

The issue of the commemorative coins is a limited one. And, as all active numismatists know, a limit of this type is strictly enforced; their rarity is what makes specific coins and medallions valuable.

Sold bronze proof medals cost \$2 each; the grand total minted is 4,000.

Silver proof medals, designated as 999-plus fine, are \$10 each. These medals are serial numbered, and the issue totals 1,000.

Bronze and silver proof sets, with matched serial numbers in custom-made lucite holders, are \$15 per set; they total 500.

25 Sets Sold First Day

And gold-on-silver, silver and bronze sets in lucite holders cost \$35 for each set. Only 100 will be made available.

Sounds like an ample supply? Well, a full 25 of the 100 \$35 sets were sold on the opening day.

The limited supplies can be obtained at the city clerk's office in the City Hall of Granite City; at the three banks; at the three savings and loan associations; or from the Diamond Jubilee Medal Committee, Post Office Box 714, Granite City.

The committee describes the undertaking as follows:

"The Diamond Jubilee Medal Committee of Granite City commissioned the world famous Lombardo Mint of Sherbrooke, Quebec, Canada, to strike a limited issue of a Granite City anniversary medallion commemorating the 75th Anniversary of the founding of the city and the 50th anniversary of the Granite City park district.

"They have crafted a definitive medallion which will

stand as a tribute to the city and park district.

"Of the thousands of medals and coins authorities have seen throughout the world, they believe the Granite City anniversary medallion is a most outstanding example of the medallion art.

"The rare beauty of the medal is evident in the authentic rendition of the ladle pouring steel illustrating the basic tool of the city's most important industry on the obverse and detailed reproduction of a park district building on the reverse.

"The clarity and simplicity of design set a new standard in medal making that will seldom, if ever, be achieved again.

"The Medal Committee formed competition among art students and local citizens who submitted designs for the medallion. The artistic results were hard to choose among to achieve the design.

"Each meticulously crafted medal measures a full 39 mm. in diameter and has extra heavy thickness with the image in medium relief. All medals were struck in proof status.

Quality, Finish, Detail

"The proof medals were double struck in proof status.

"The proof medals were double-struck from hand-polished dies and blanks to achieve high quality and detail. This gave the rarest of finishes—a deep, mirror-like background that sharply frames the frosted sculpturing and lettering.

"The Lombardo Mint is one of the world's few private mints. It has produced official medals for countries and private organizations all over the world.

"We awarded the Granite City anniversary medallion commission to this institution because we expected it to be able to use the extensive experience and rich talent to make a truly memorable medal honoring the two historical events in our city.

"We believe the product justifies our faith in the Lombardo Mint and is a true expression of the highest level of the ancient craft of minting.

History Recalled

"Granite City was founded by George W. Niedringhaus on the banks of the Mississippi across from St. Louis, and established a steel mill to produce steel for the newly-founded granite-ware factory from which Granite City received its world-famous name.

"The city was incorporated on March 9, 1896, and had a population of 992. It has grown to an ultra-modern city of more than 40,000 friendly and energetic citizens.

"Our park district, starting 50 years ago with only a few acres of land, is one of the finest in the nation.

"The barren park land, with a small number of trees, has grown to many acres all over the city.

"Beautiful botanical gardens and all of the activities and sports keep our citizens happy every spare moment. Wilson Park is the hub of our park system, providing any type of recreation the people's hearts might desire.

Only Use of Proof Dies

"To assure the rarity of this historic issue, the Lombardo Mint struck a limited quantity
